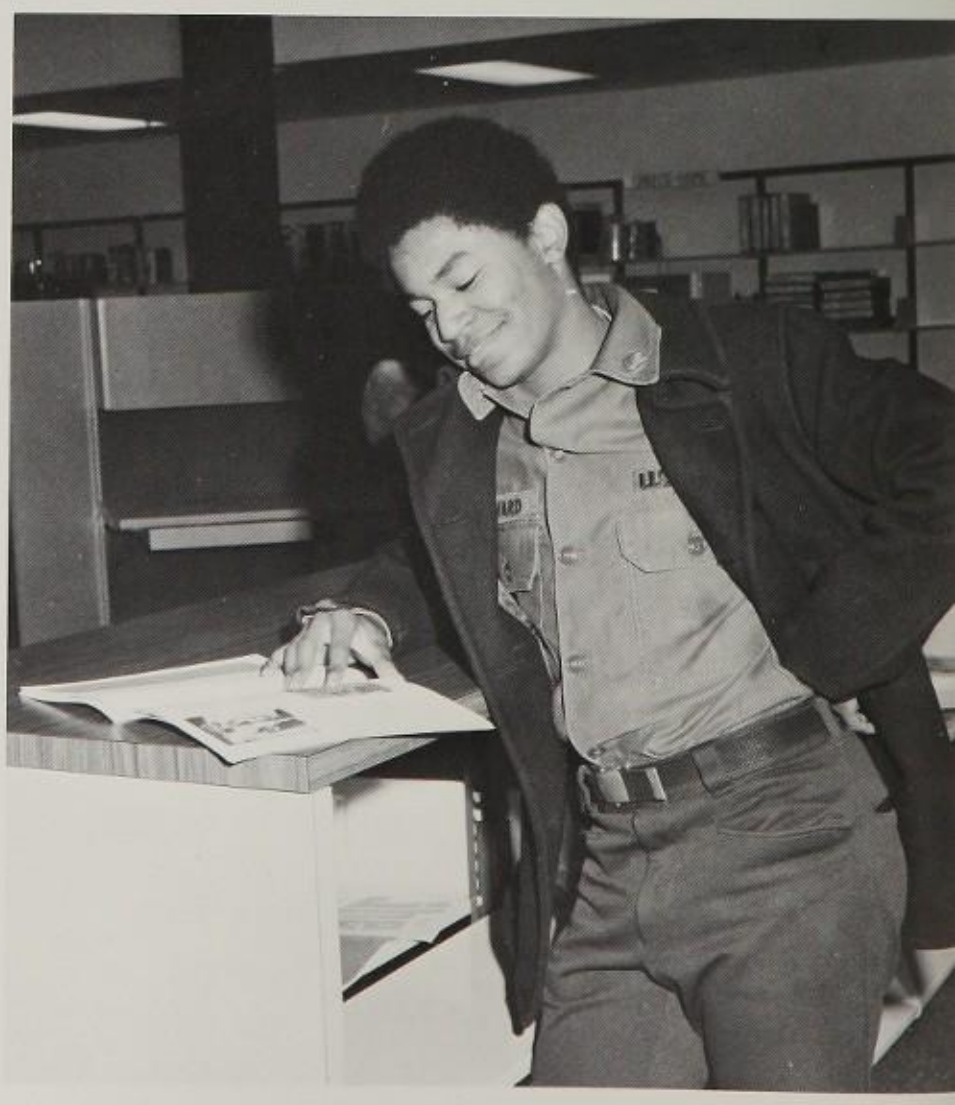
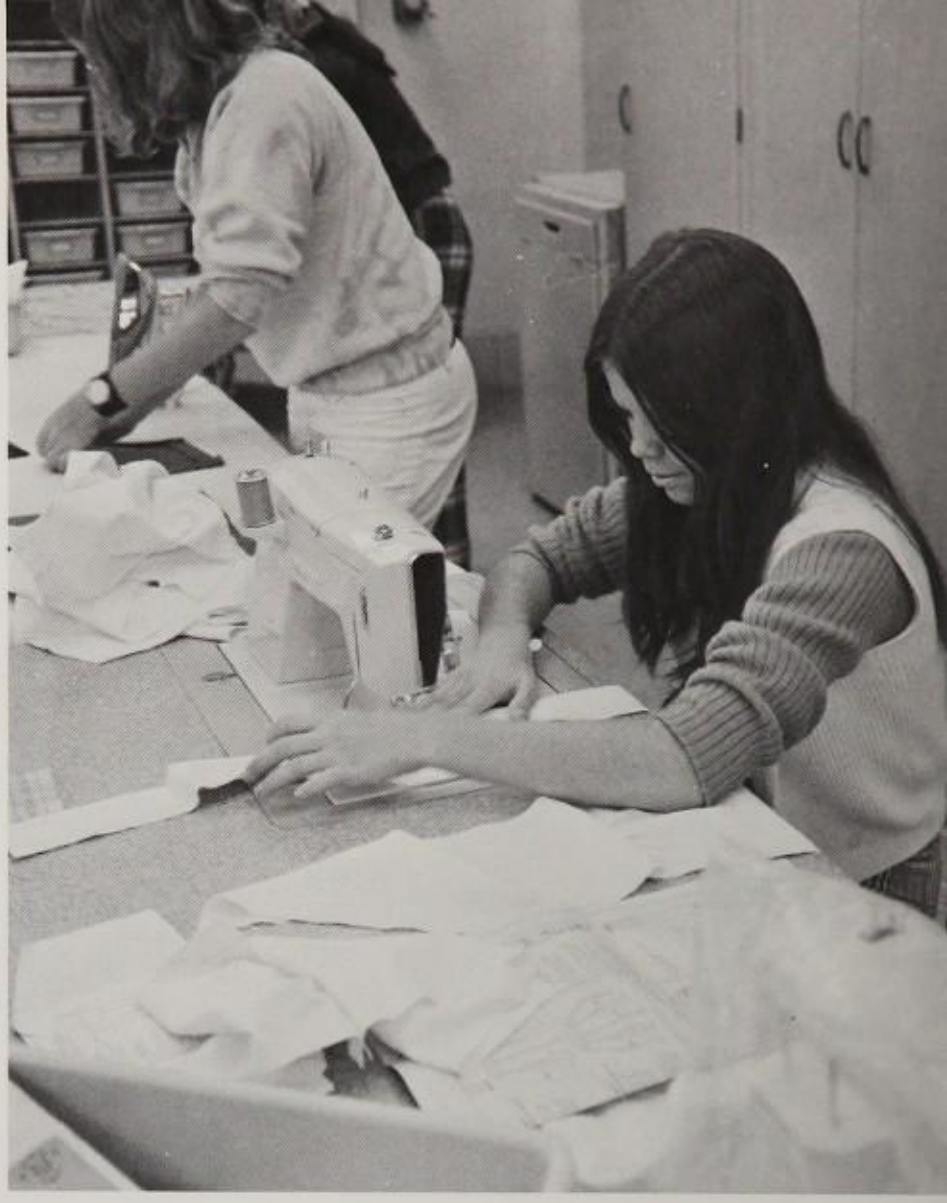
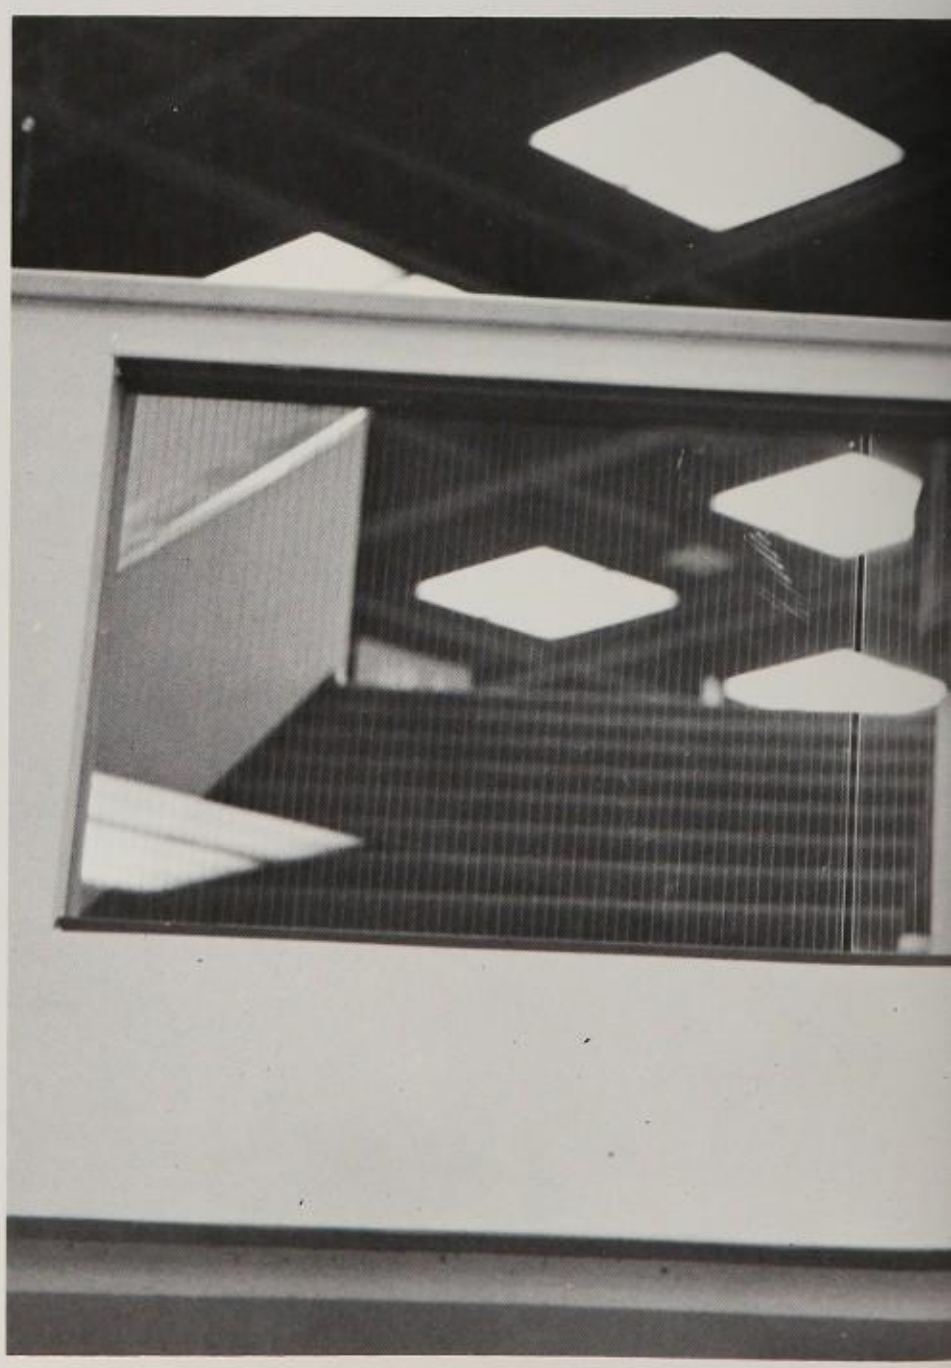
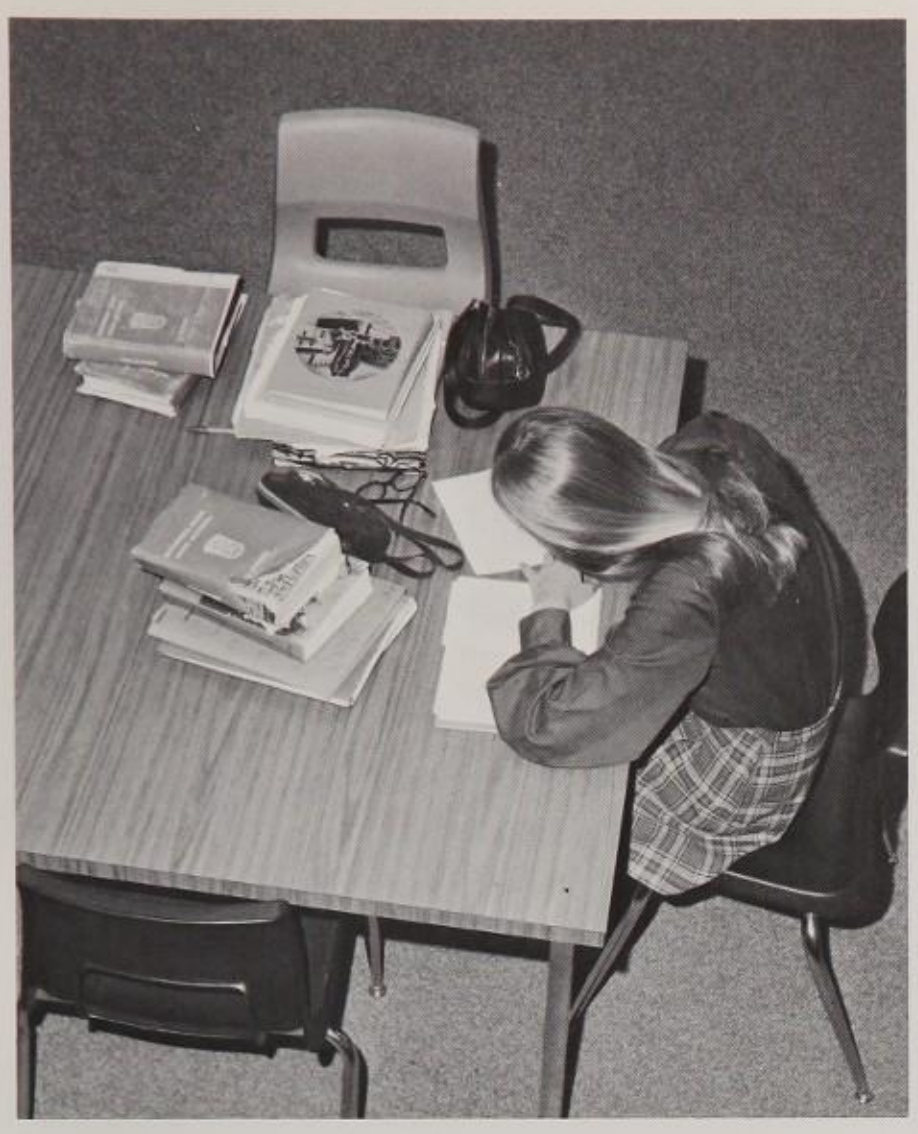
Together we've begun our journey to the future.



We do not know







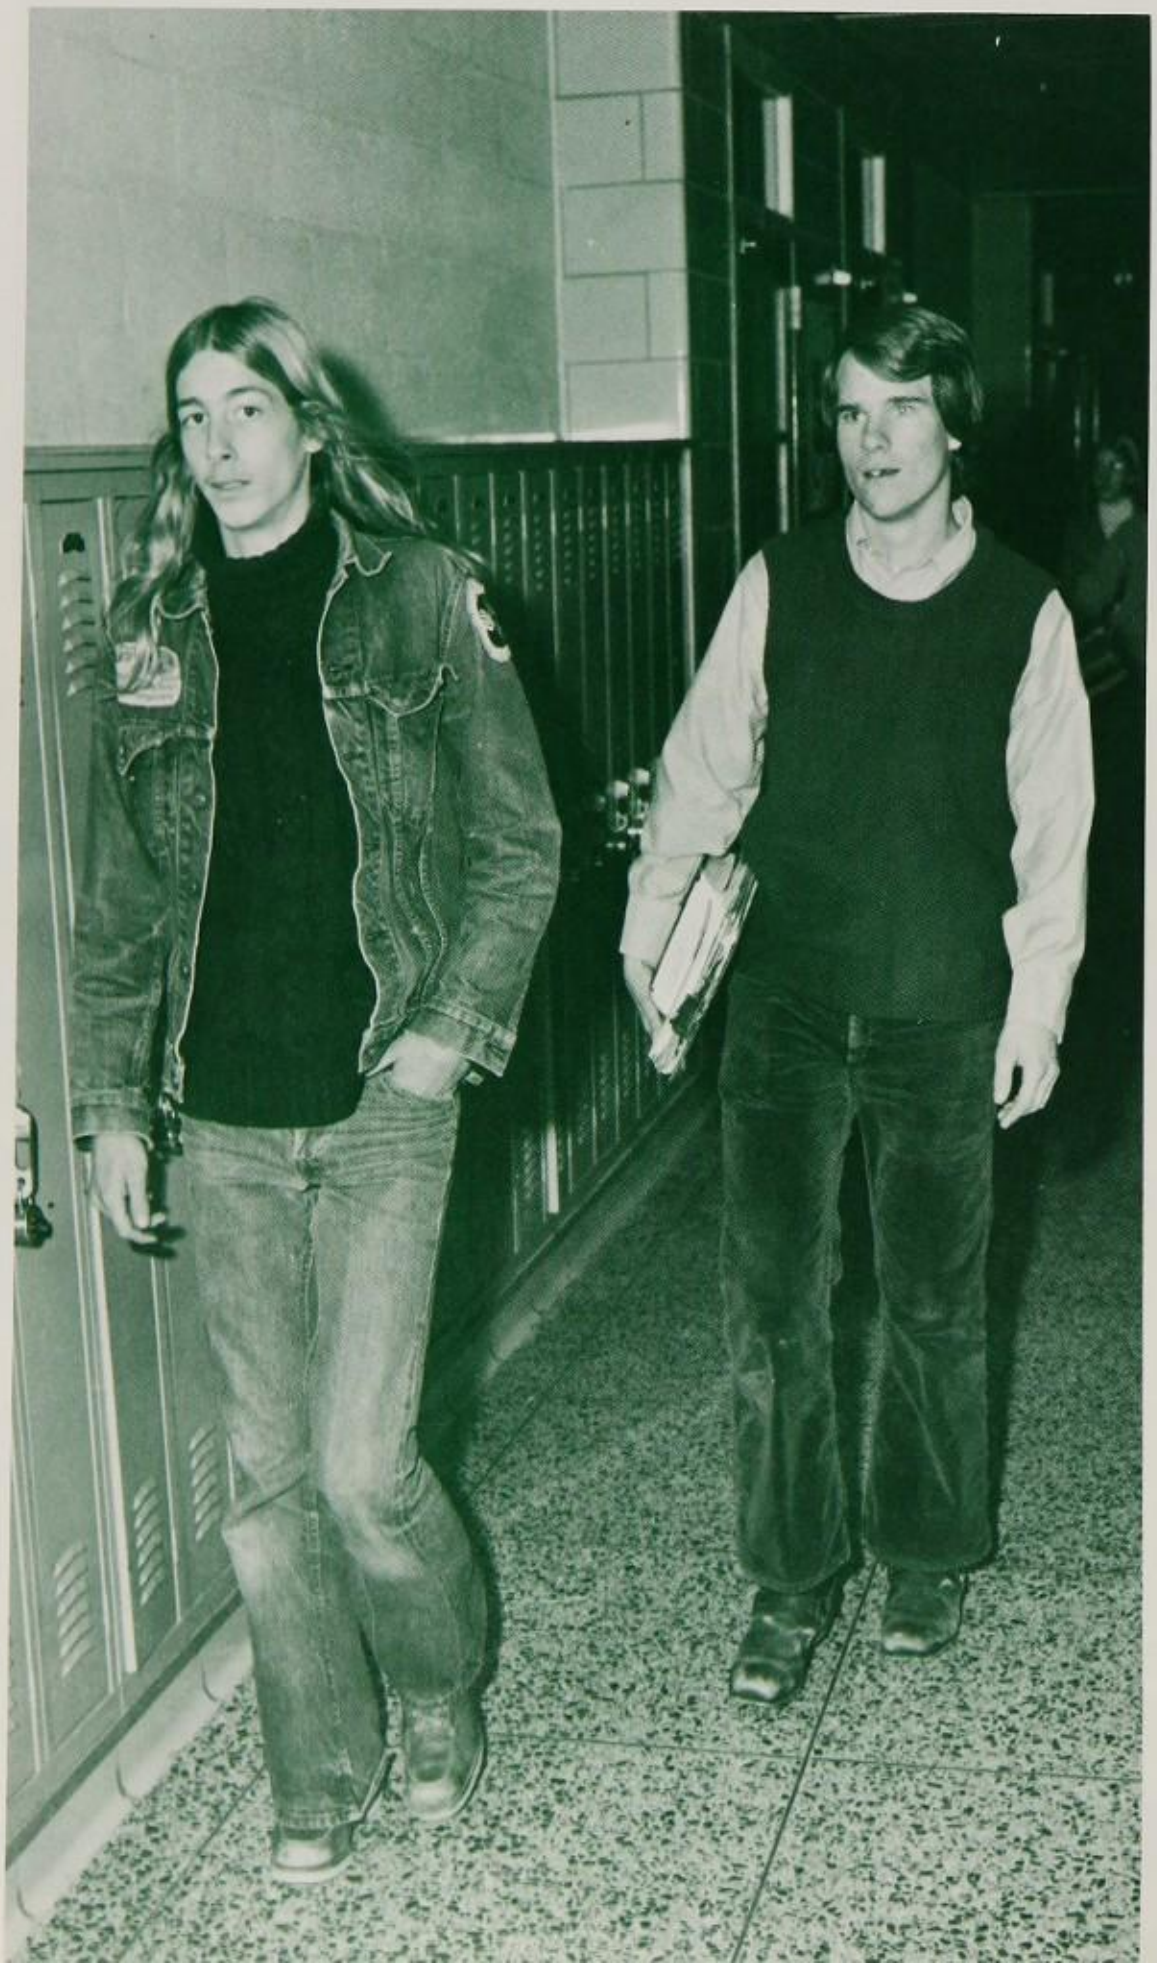
where the path will
lead us.

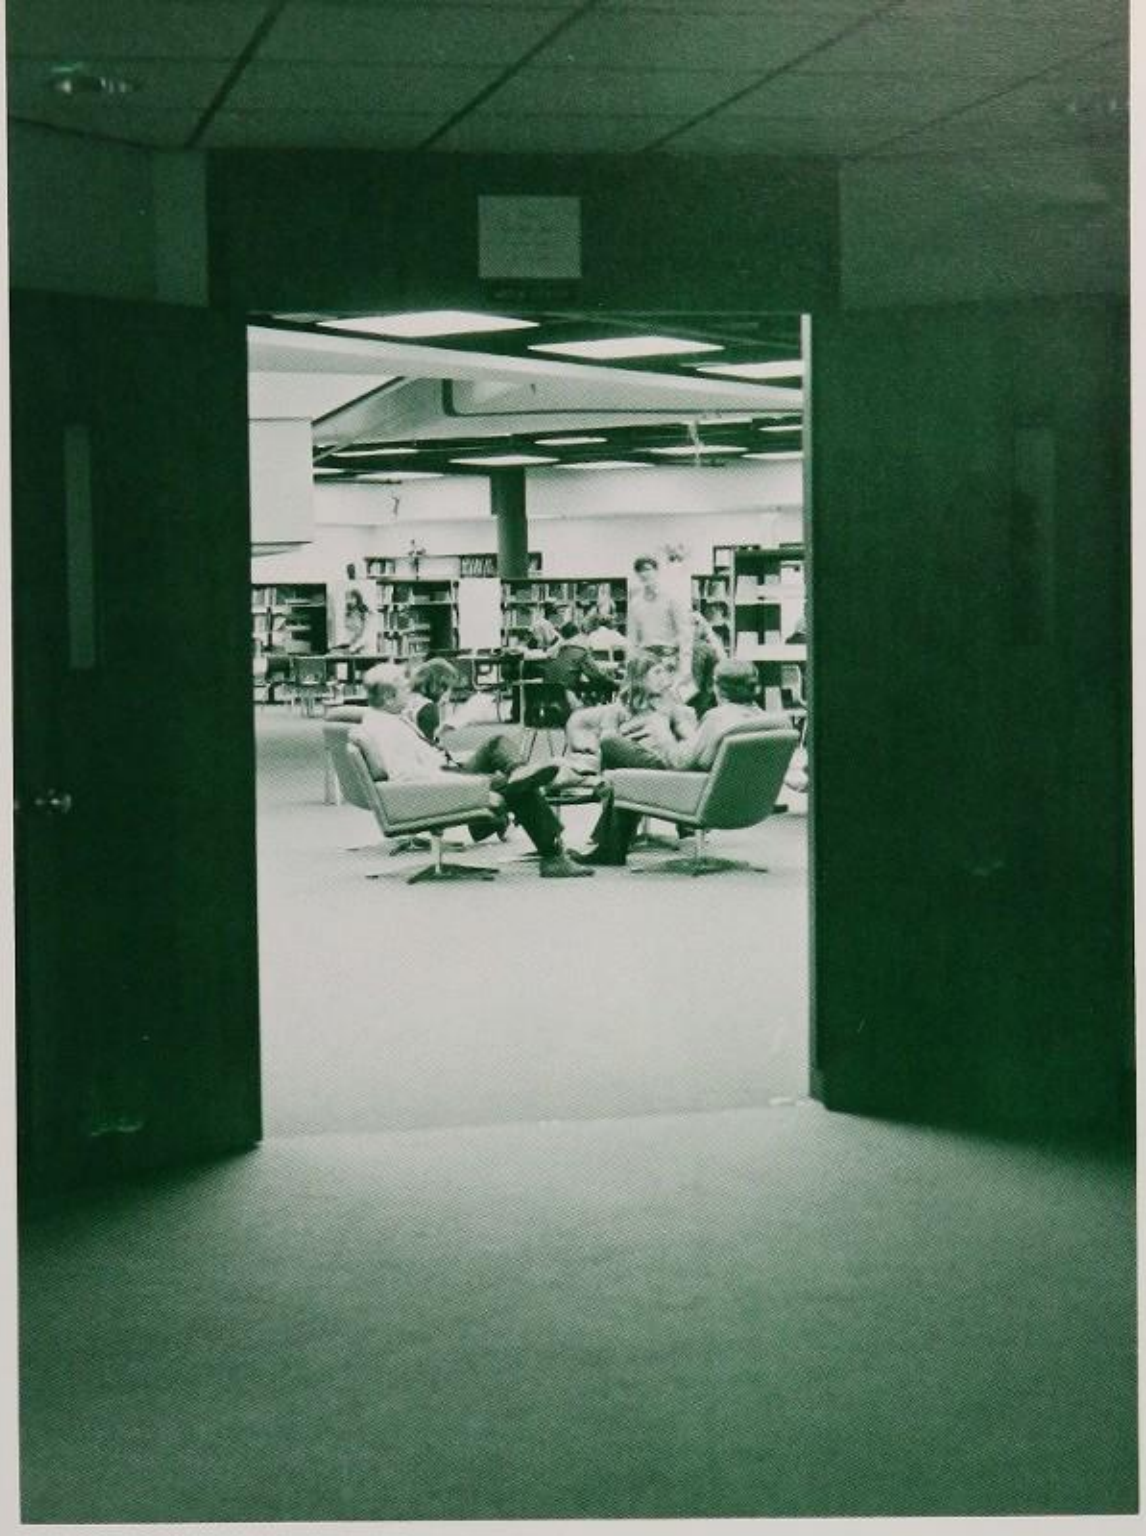
As one body, we experience the newness of a fresh beginning, in life and in living.

In one mind, we question what is before us,

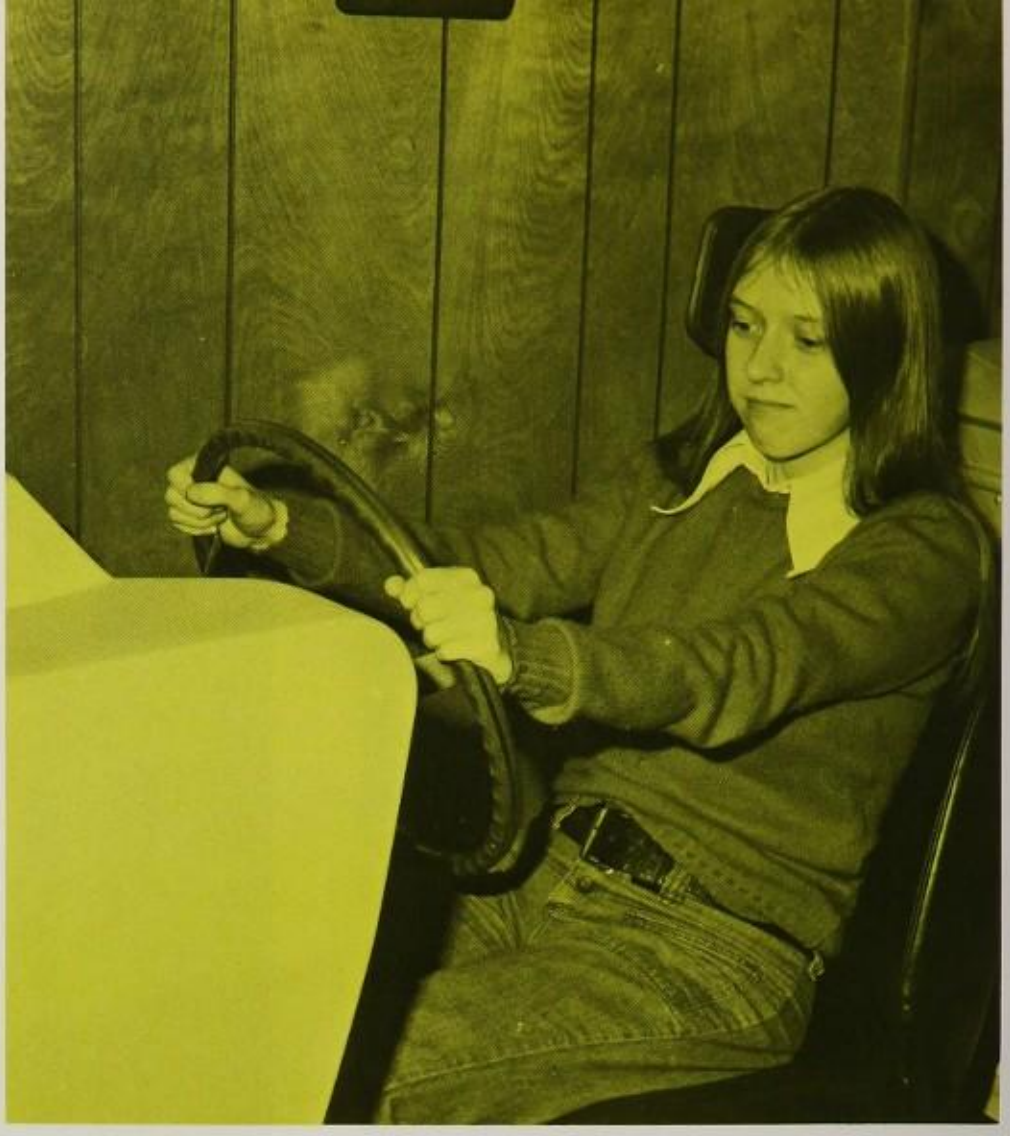
What is around the corner on the way to tomorrow

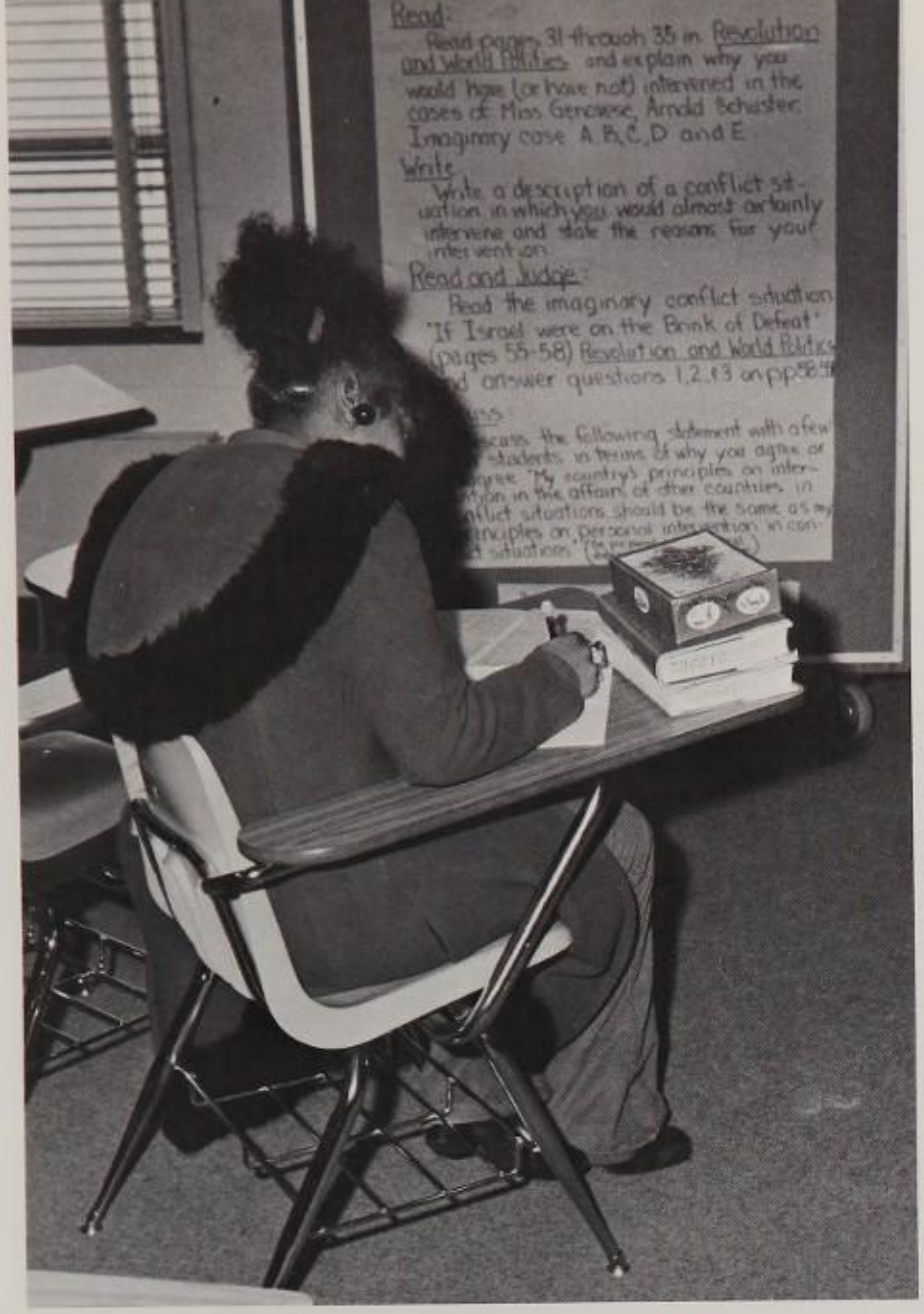
United we face
the unknown uncertain
future. If only fate
would tell us her plans.



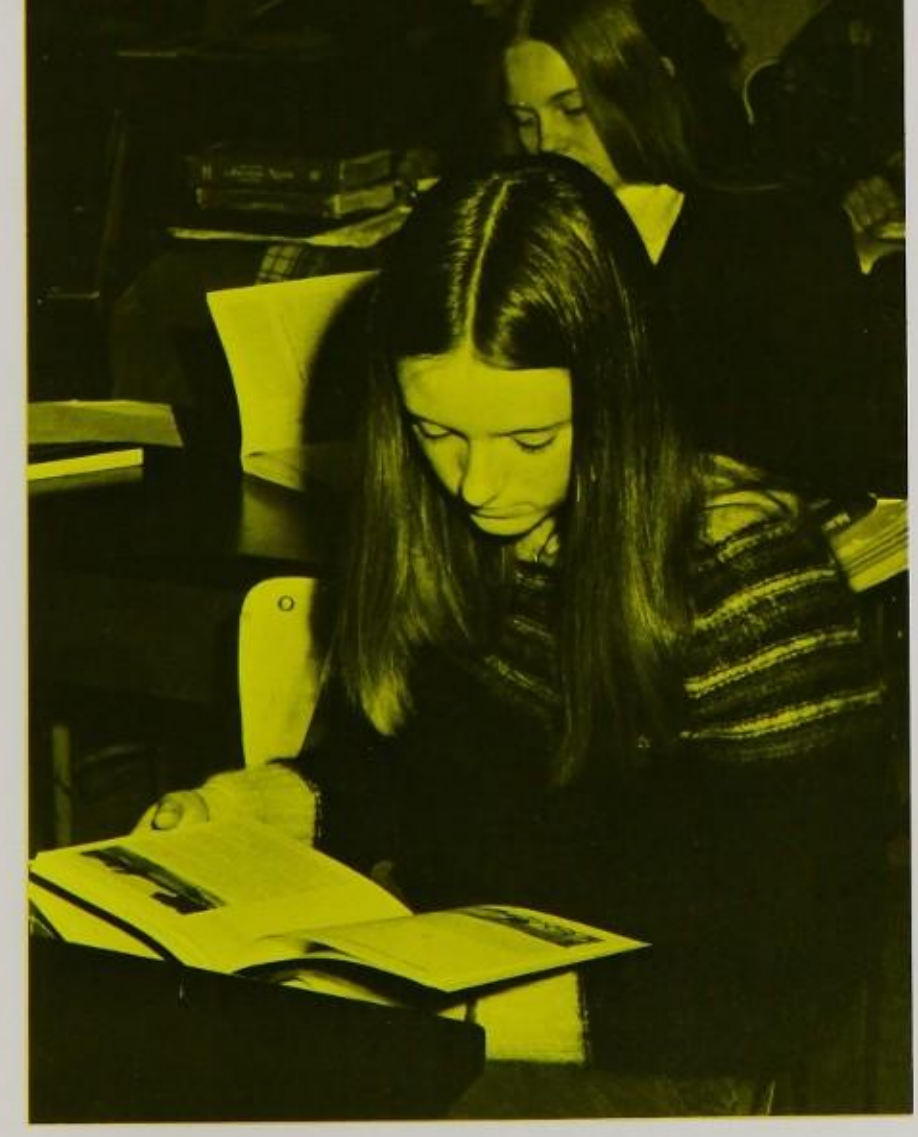


We know the past.
Its colors, times and
memories are understood
and familiar.

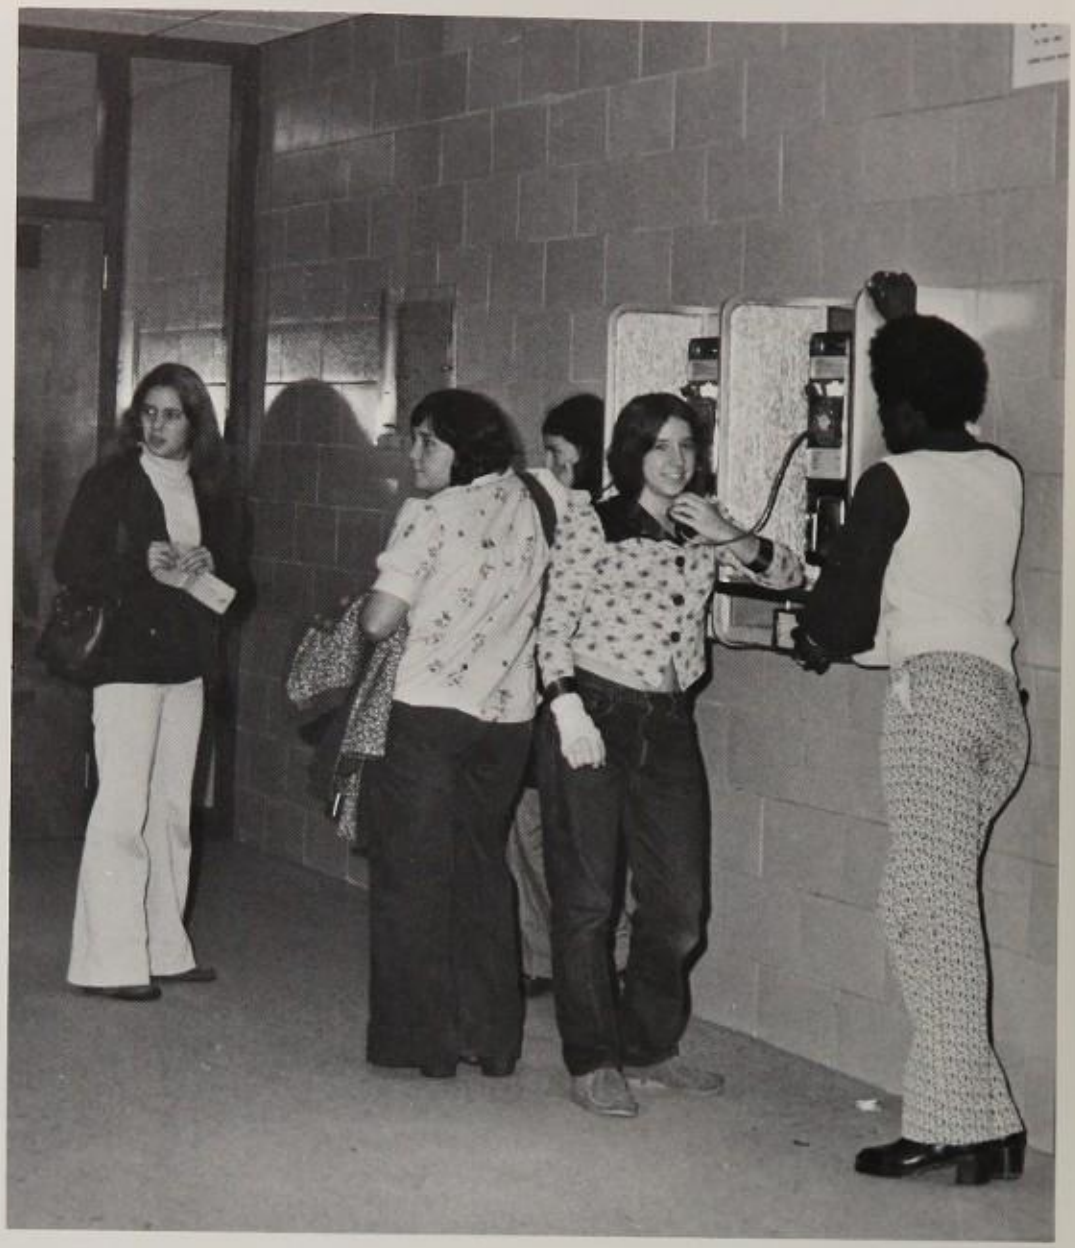




Read:
Read pages 31 through 35 in Revolution and World Politics and explain why you would have (or have not) intervened in the cases of Miss Genovese, Arnold Schuster, Imaginary case A, B, C, D and E
Write
Write a description of a conflict situation in which you would almost certainly intervene and state the reasons for your intervention
Read and Judge:
Read the imaginary conflict situation "If Israel were on the Brink of Defeat" (pages 55-58) Revolution and World Politics and answer questions 1, 2, 3 on pp



Yet of the future
we know nothing.



We do not know
Where the path will lead us.

Headlines on pages 4-17 taken from "Us Against the Future" by Betsy Frazer, Class of 1974.

FACULTY

Not only is there an art in knowing a thing, but also a certain art in teaching it.

Administration

Mr. Richard A. Barr, Principal

Seniors:

It is June '74. Another step in your life is past.
How was it? No matter! It's over. Past being prologue, now where, now what, how, when, and why?
Will you contribute to the traditions of the society that made it possible for you to arrive at this point in life?
Will you contribute to the traditions of your family from which you derive your individuality?
Will you contribute to the traditions of your religious beliefs which have given you your moral fiber?
Will you continue to diligently, intelligently and actively develop your personal convictions so that you, your children, and your children's children may continue to live in freedom and equality under the flag of our nation.
It is June '74.
You have commenced! Keep going!

Counselors

The Guidance Department is where a new student goes if he can't find his Tradition and Change in Four Societies classroom, right? Well, no. But guidance counselors do give directions to students. This department is a virtual cornucopia of information on jobs, colleges, course selection and testing programs. And even though each counselor handles about 500 students, time can always be found to discuss a student's problems.

The English Department helps students achieve clear thought from writing, speech, and literature courses. What shape would we be in if no one could express himself? Conversation would be one long string of "you know's," and notes on desks would not progress logically between ideas. English is becoming more diversified. An example is next year's proposed course, "Sports and Its Heroes."

What do Krafft-Ebing, Button Gwinnett, and Titus Flavius Sabinus Vespasianus have in common? No, they aren't pseudonyms for E. Howard Hunt. They're studied in Social Studies classes. This year the old regulars, like U.S. and World History, were supplemented by such interesting (and popular) courses as Psychology and Sociology.

Math

Teaching both basic and complex mathematical operations instills in students strong logic vital to almost any career. And despite reactionary protests ("I built the Bay Bridge and I can't understand the 'set theory'!"), "New Math" contributes greatly to this logic.

The Foreign Language Department gives its students the power to discuss *Les Miserables* with Eiffel Tower attendants, speak Spanish to waiters in Mexican restaurants, and understand *nolo contendere* without newsmen's explanations. Music

Music was expanded this year to include Guitar, Strings, and A.P. Music courses. Mr. Powell hopes to add piano courses next year. He believes the expansion of the Music Department will give the students a deeper appreciation of music and the fundamentals of musical technique.

Mr. Nilyon Brooks

Industrial Arts

Industrial Arts students learn precision and proper use of equipment in such courses as Woodworking, Metalwork, and Drafting. No more deformed notepads and book ends. What would our society do without skilled workers? Imagine an incompetent making stereos with inch-long, record-scratching needles.

GRADUATES

Ah, this is not the end, it is not even the beginning of the end; but it is perhaps the end of the beginning.

Sir Winston Churchill

Class of '74

Class Of '74

The Class of '74 started their final year in high school with a treasury of about $2800. However, due to rising prices and the scarcity of many needed materials the Seniors were forced to engage in many money making activities. Over the summer several bake sales and a car wash were held. They followed this up by winning the first prize in the Homecoming float competition. The class mascot, the toucan bird, was a colorful first place winner. Other activities included an egg sale, a 60's dance, an ice skating party, sponsoring a foster child, Falcon Fair, and the traditional Senior class play, which this year was "Bye, Bye Birdie". The Class of '74 officers would like to express thanks to the loyal senior class members who have continually lent their support. A special thanks, to Mrs. Maas and Mr. Miller, who have been with the seniors since the beginning—the Class of '74 hopes their association with us has been as nice as our association with them.

Senior Class Officers: Treasurer, Nancy Spicer; Secretary, Dawn Reedy; Vice-President, Dona Travers; President, Ray Miskowski.

Mr. Barrett Miller and Mrs. Elizabeth Maas, Class Advisors.

ACTIVITIES

Sometimes you dream,
sometimes it seems
There's nothing there at
all.
You just seem older
than yesterday.
And you're waiting for
tomorrow to call.

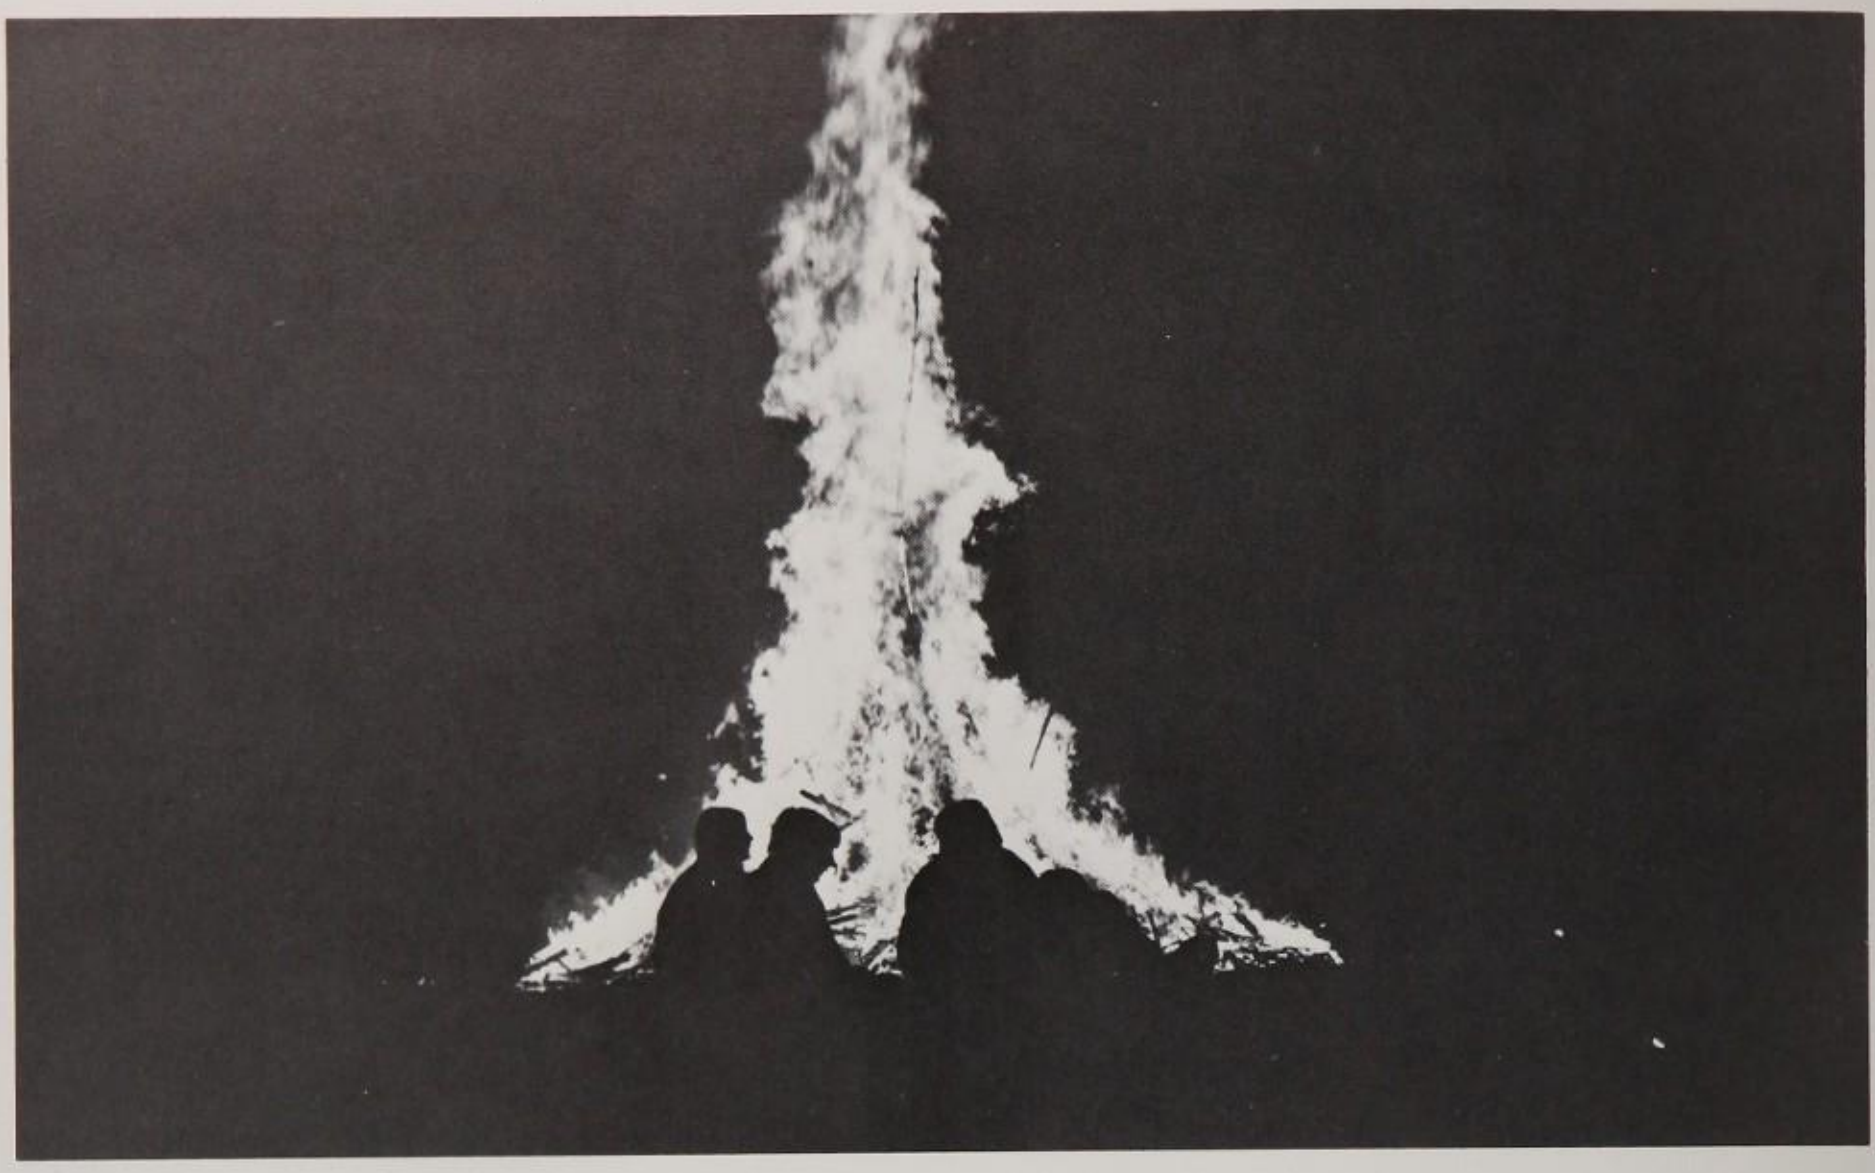
Traditional Bonfire Initiates Homecoming Activities



Seniors, Once Again Are Number One

The Juniors built a bright pink elephant to represent their class in the float competition.

The Sophomores giraffe placed third.

The sixteenth annual float competition was won by the Senior Class' colorful Toucan bird.

Largest Parade Ever

The Stage Crews light bulb "brightened" up the parade.

The Alumni Float just "drifted" along.

A Dazzling Success

Fragile and Majestics Provided Music

On October 20 and 21, the Student Council sponsored the 1973 Homecoming festivities. The weekend started with the bonfire, as usual organized by the Key Club. The following morning the largest homecoming parade ever was staged, featuring five floats. That afternoon an already nice weekend became perfect, when the Falcon football team decidedly defeated Bel Air. That evening, a large group of students enjoyed the sounds of Fragile and Majestics. Because of the tremendous amount of tickets sold, this year's dance was held in two gyms. Without a doubt, the 1973 Homecoming Weekend was the largest and most successful this school has ever seen. Thanks should go to Steve Buss, Homecoming chairman, and the entire Student Council.

The brownies and cupcakes disappeared fast, probably because they were free.

The high temperature in the gyms caused the Coke machine to be a popular spot.

As Always, Homecoming Ends In Memories

Debbie Becton managed to make it to the dance with her escort Darrell Cofsky, even after a tough day cheerleading at the game and in the parade.

The halls provide an excellent place for quiet discussions.

It's Academic

1973 "It's Academic" Team: Rick Meindenbauer, Brett Landenberger, and John Larabee.

On November 18, Brett Landenberger, John Larabee, and Rick Meindenbauer traveled to WBAL TV's "It's Academic" and lost a hard fought match to students from Towson Senior High. The team was chosen from Severna Park students that tried out in several different sessions. Teachers, Dr. Robert Macleay and Mr. Raymond Wills coached the team. Brett Landenberger was chosen captain, and he was the only returning player from last year's team. The trio did earn a scholarship award to be used to help deserving students continue their education.

Math Team: Continued Excellence

Severna Park High School's math team has achieved immeasurable success over the years. The team is chosen on a monthly basis; picked from students who try out. Its primary purpose is to give those students especially gifted in mathematics a chance to compete with other mathmaticians in high level mathematics. Our team has consistently won the Anne Arundel County competition. The team is sponsored by Mr. Jay Catlin and Mr. Joseph Dunn. The Severna Park Math Team is a shining example of academic excellence at Severna Park.

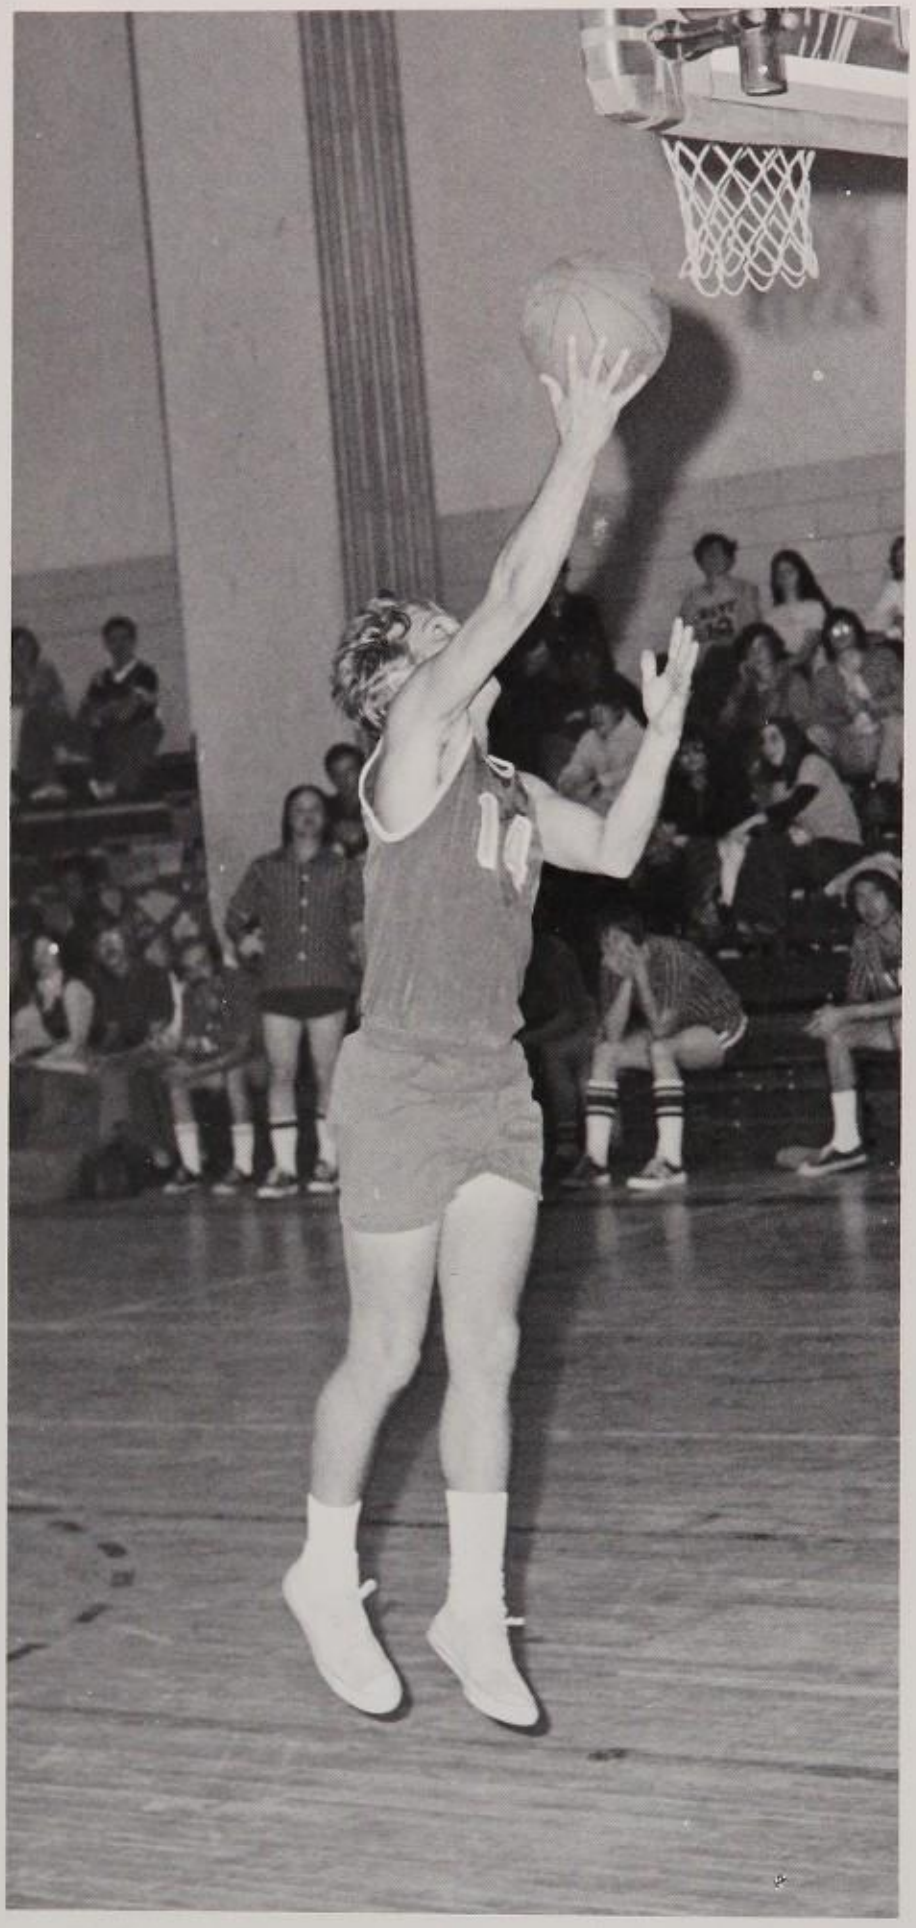
WCAO Smashes Faculty 86-70

The WCAO "Good Guys" a group of local disc jockeys, visited Severna Park High School this year to play our faculty in basketball. The game was a hard fought contest that saw our faculty bow to a more experienced and practiced team, 86-70. The game was complete with cheerleaders which looked a lot like the female members of our athletic department. Proceeds from the game went to the athletic department.

Since when is holding a player's waist a legal way of stopping a basket?



An easy two points.

Mr. Brigdeland has other talents besides speaking Spanish.

Dracula: A Bloody Smash

On October 31, November 1,2, and 3, the Drama Club presented the dramatic "Dracula". This year's fall production enjoyed a different twist since it was presented on Halloween night in tune with the theme of the play. Convincing portrayals and effective sound effects enhanced the mood of the play and created a suspenseful finale. Count Dracula was played by Sophomore Joe Kirkland. Mrs. Sandy Truitt directed the production.

Professor Van Helsing, portrayed by Debbie Jung, was the one who suspected and found out Count Dracula's secret.

Lucy, why do you wear that scarf around your neck?

Joe Kirkland as the sinister Count Dracula.

Come Renfield, Count Dracula would like to "talk" to you!

Some guys have a mesmerizing effect on women.

Graveyards always made Renfield feel at home.

These fang marks are either a snake bite or Count Dracula's at it again.

These braces are sure going to make a mess of things.

Professor Van Helsing, Count Dracula is here!

Class of 74: "The Miracle Worker"

This year marked the first year that the Theater Guild presented One-Act Play night. The three graduating classes entered friendly drama competition. The Seniors presented "The Miracle Worker" by Thorton Wilder, the Juniors presented "The Odd Couple" by Neil Simon, and the Sophomores presented "The Happy Journey to Camden and Trenton" by William Gibson. The plays were judged by national thespians; Ms. Susan Day and Mrs. Muriel Griffith. "The Miracle Worker", directed by Brett Landenberger won for the best all around production. This production centered on a dinner scene when Helen Keller first learned the importance of manners. "The Odd Couple", directed by John Branning featured an all female cast. "The Happy Journey From Camden to Trenton", directed by Nancy Bauman and Leah Young was the story of a "typical" family trip. Individual acting acknowledgements were also awarded.

Cindi Wisch as Kate Keller sings to her new born child.

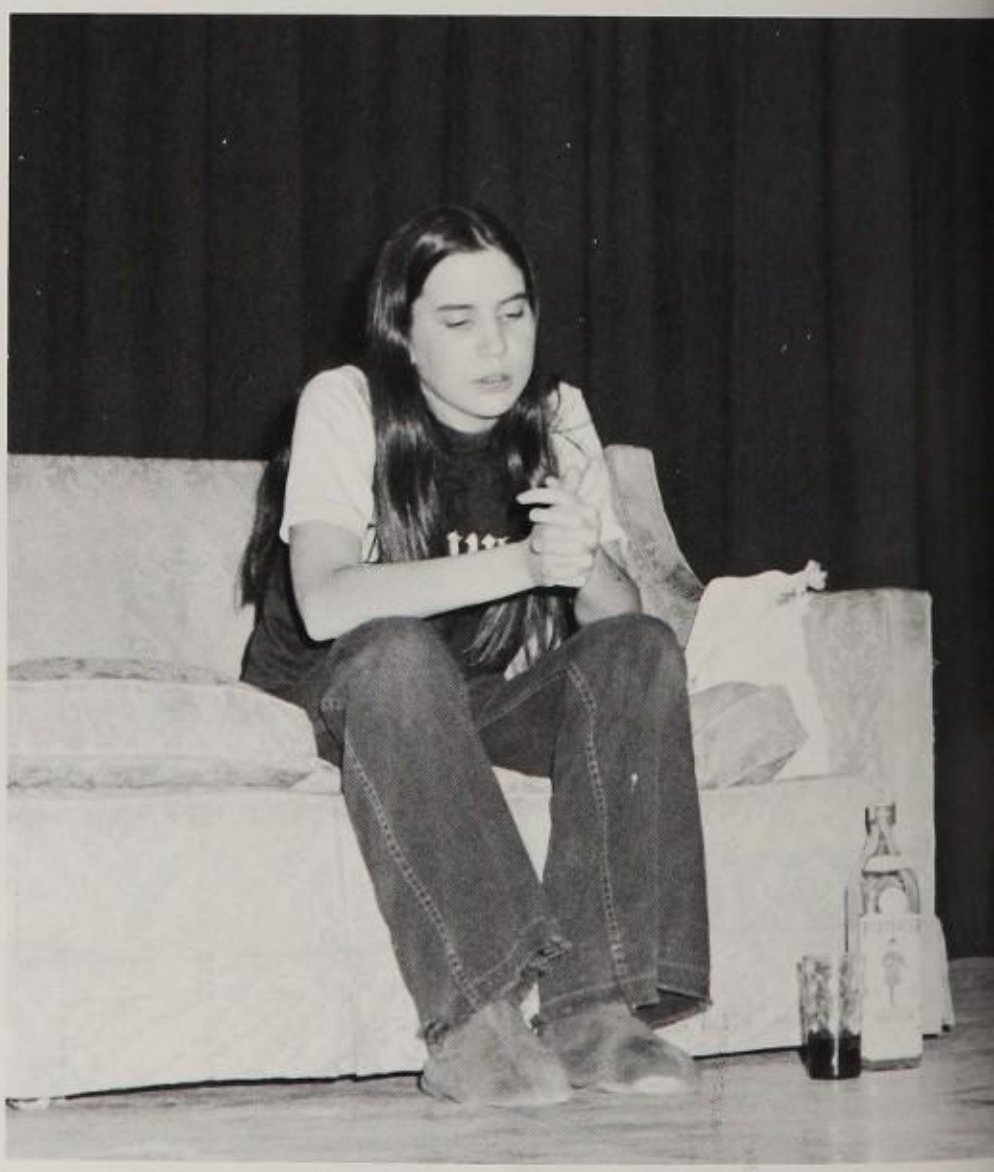
ngela Germanos, who portrayed lelen Keller, received an outtanding acting award.

Annie Sullivan contains Helen Keller as she attempts to display her frustration.

Class of '75: "The Odd Couple"

When are you going to quit smoking cigars, it makes the house smell terrible!

How can you expect me to keep this house cleaned up when all you do is throw empty beer cans on the floor?



I hope I don't have to wear a dress to that dinner party Friday night. I'd rather wear my jeans.

Class of '76:

"The Happy Journey to Camden and Trenton"

Dad, I feel carsick. Do we have any dramamine?

Dear, would you please slow down to fifty-five; with this gas shortage and all we really should conserve on fuel.

Dad, don't worry I won't tell Mom you were looking at that pretty girl while she was asleep.

Band Sponsors Annual Christmas Dance

I'm still tired from selling subs this afternoon!

Slow dances are the most fun.

This dancing can be tough on marching feet.

The Stage Ensemble did a fantastic job of providing the entertainment.

The Severna Park High School band once again sponsored the annual Christmas dance. Decorations included giant Christmas trees complete with presents, and an old fashioned fireplace, with the traditional Christmas stockings. This year's dance served a more useful purpose, however. At the dance the band collected "Toys for Tots", Christmas toys for needy children.

Non-band members were also out in full force.

The last tango.

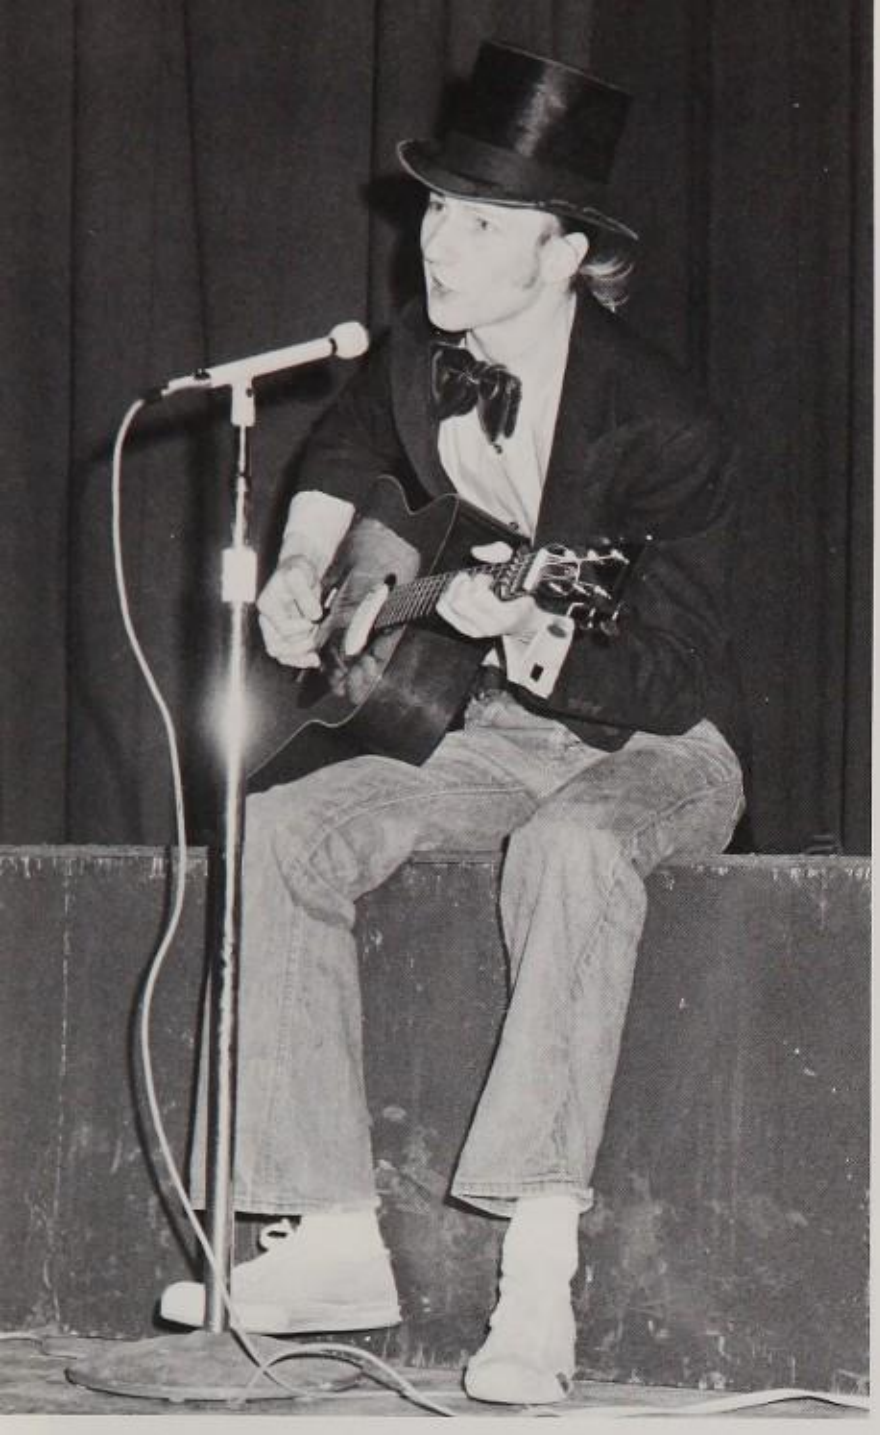
Variety Show Hosts An Array of Talent

The 1973 variety show was sponsored by the Junior Class. It proved to be a large financial success. The show featured twenty three different acts ranging from Duke McCabe and Rudy Miller singing the religious "I Shall Be Released", and Mila Stephany doing an exotic belly dance. Anne Evans acted as director with the help of class president Robert Lopardo and class secretary Julie Brown. The amazing success of the show can be attributed to the tremendous talents of Severna Park High School students.

Marcy McGeady and Jan Lowman show great form, as they do a modern dance number.

Those high notes are always the most difficult ones to hit.

"Hello, is this the residence of a Mr. Nixon? Well, this is Ernestine."



Scott Mahaffey always manages to come up with something "different".

As far as talent, Barbara Carter resembles a future Carole King.

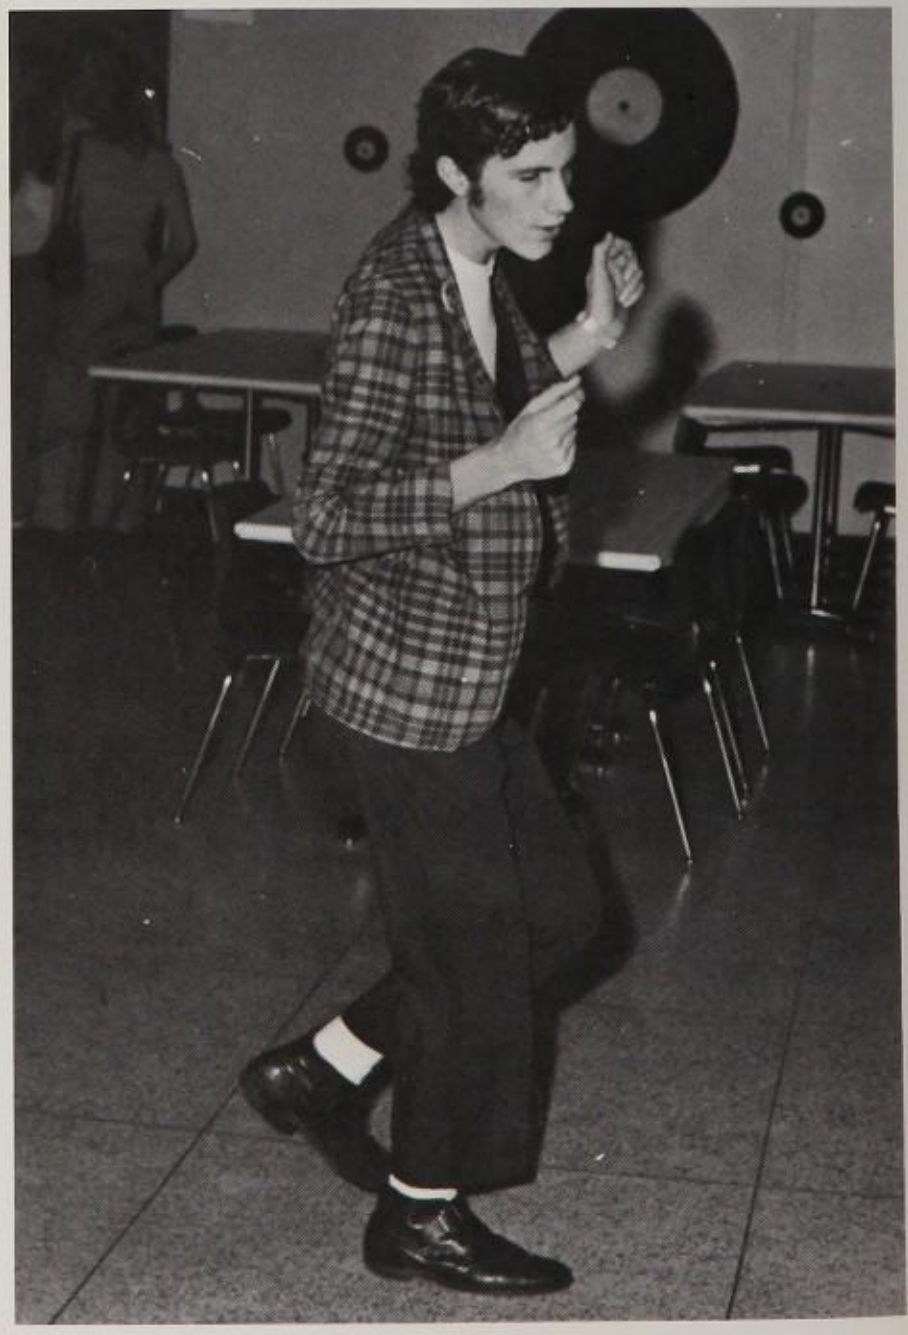
An Evening of Nostalgia
60's Dance

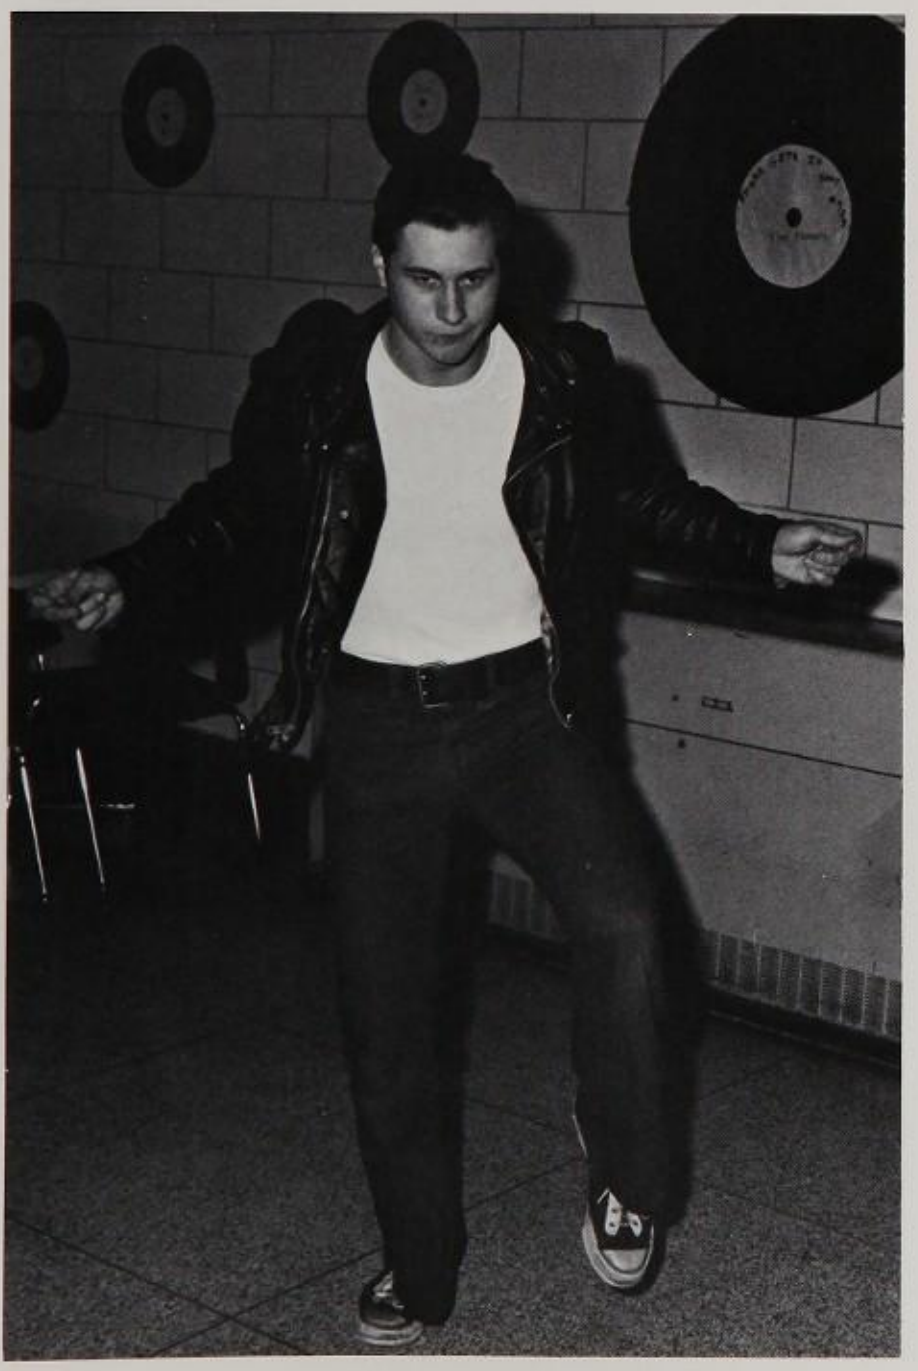
Joe Cool and Slick Chick

Brenda sure can do the twist!



On January 11, the Senior Class sponsored the 60's Dance. This was an evening of nostalgia aimed at bringing back musical memories of the past decade. Ledel Goolsby, originator of the idea, and Ernie Lackey, our own Wolfman Jack, acted as disc jockeys for the evening with the help of the Stage Crew, who set up their WUVT radio station in our cafeteria. Everyone enjoyed a fantastic evening boppin' to the sounds of years gone by.

Hey man, who's behind 'dem shades?



Ernie Lackey, every school has one.

Sweethearts; An Evening of Romance,

The Annual Sweetheart's Dance, sponsored by the Sophomore Class, was a phenomenal success. Changing tradition this year, the dance was held in the cafeteria. This was a welcomed change, everyone enjoying themselves. The success of the Sweetheart's Dance was exemplified by a $300 profit by the Sophomore Class.

"Smile dear, I think we're having our picture taken."

Class of '74 Presents: "Bye, Bye Birdie"

"We love you Conrad, oh yes we do!"

"You got to be sincere, you got to feel it here."

On February 28, March 1 and 2, the Senior class presented "Bye, Bye Birdie", a satirical musical comedy about the life of a fifties rock star. Featuring a cast of over 100, the play was a financial success, even though one performance was cancelled due to the energy problem. A special thanks to the Director, Mrs. Sandy Truitt; the Student Director, Debbie Wilson; and Debbie Rogers, the pianist.

What sleezes!

"It won't last, not at all, he's too thin, she's too tall!"

Conrad Birdie: A Teenage Idol

"He's just a healthy, normal American boy."

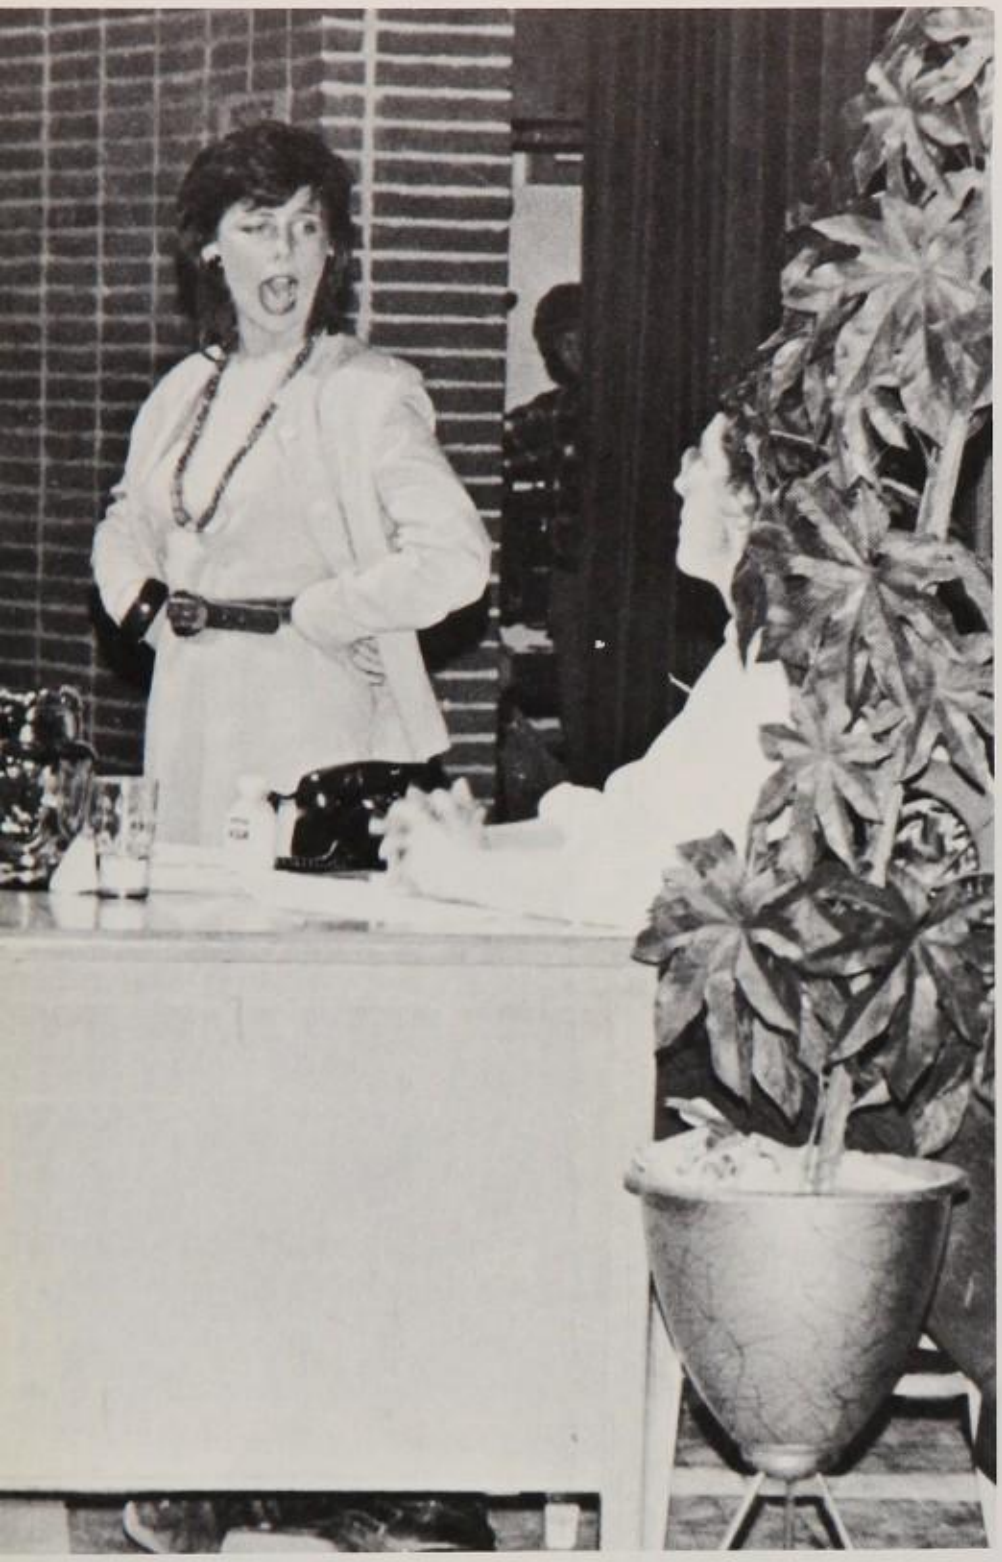
(Above) Some of us are just honestly sincere. *(Right)* As always, the stage crew, along with their CBS eyes, made sure lights came on when they were supposed to and telephones rang and tapes were played.

"An English Teacher"

"What's the tale nightingale?"

The MacAffees at home.

All Seniors Say, With Regret



"Your secretary is hereby submitting her resignation."

Class Presidents always did make good bartenders.

The American Field Service is an international student exchange organization which arranges for students to stay with host families abroad. For example, our school was represented during the summer of 1973 by Chandra Hamlin in Denmark and Gordon Ross in Italy. For the school year, Iker Landa arrived from Caracas, Venezuela to study at Severna Park Senior High School while living with the Stipetics. The following run the AFS meetings: Mrs. Shreffler, Mrs. West, Janis Cummings (president), Jeanie Doney (vice-president) and Kathy Boyd (historian).

With Mr. Higgs as advisor, the Audio Visual Staff tapes T.V. programs, films, and activities, and also repairs and distributes equipment. The A.V. people were among the first to recognize the importance of media besides the printed word, an importance now recognized with the placement of the A.V. Room adjacent to the Media Center. Of course, an unexpected side effect of this is that a student can now watch the World Series instead of researching a report on schizophrenia.

Band

This year the band participated in several parades; the Hagerstown parade in October, the Homecoming activities in late October, the Frostburg parade in November, the county Festival in May, and the Preakness festival in May. They also sponsored the Xmas Dance and sold subs, pizza, and candy to help raise funds. All facets of the band—the wind symphony, the stage ensemble, and the concert band enjoyed tremendous success during the 1973-1974 school year.

Varsity Cheerleaders

Each spring, cheerleaders for the Wrestling, Varsity Football and Basketball, and Junior Varsity Football and Basketball Teams are chosen on the basis of appearance, agility, grades, and spirit. Working together, the girls encourage enthusiasm at matches and games, both through their cheers and through the non-profit operation of the booster bus. Sponsored by Mrs. Desimone, for whom cheerleading practice is "the best part of the day," the Cheerleaders helped pay for uniforms by selling candy, posters, and pom-poms. This year the cheerleaders started many new and original cheers. They also reinitiated the tradition of a mascot—our's was adorable "Charlie".

Solitaire chess is definitely not as stimulating as two-man chess. Somehow, the more complex strategems are lost when one is playing against oneself. And since opponents are not always readily available, the Chess Club provides a place for chessophiles to meet and match. Organized by Mr. Wells, the club members play round-robin matches and hold intermural tournaments. Another activity of the Chess Club is three dimensional chess for all the Star Trek fans who play chess.

Chorus

Choruses are always in great demand around Christmas, especially good choruses. The Severna Park Senior High School Chorus was busy not only with a Christmas Concert in conjunction with the band, but also with a presentation of Handel's "Messiah" at the University of Maryland. Under the direction of Mrs. Frederick, the chorus had classes and extra rehearsals, and also participated in festivals, workshops, and of course, produced some patriotic music for the morning announcements.

Row 1: Mary Woods, Eileen Swain (president), Vicki Bland, Ronnie Cordle, Cathy Turner, (secretary), Susan Jackson, Donna Place, Terry Ledford (treasurer). *Row 2:* Bernard Wallace, Virginia Jordan, John Donohue, Tim Hause, Sue Cesnek, Pam Johnson, Jeanie Van Skiver, Larsen Trigger, Delta Shipley (Vice-President), Danny Dansberger.

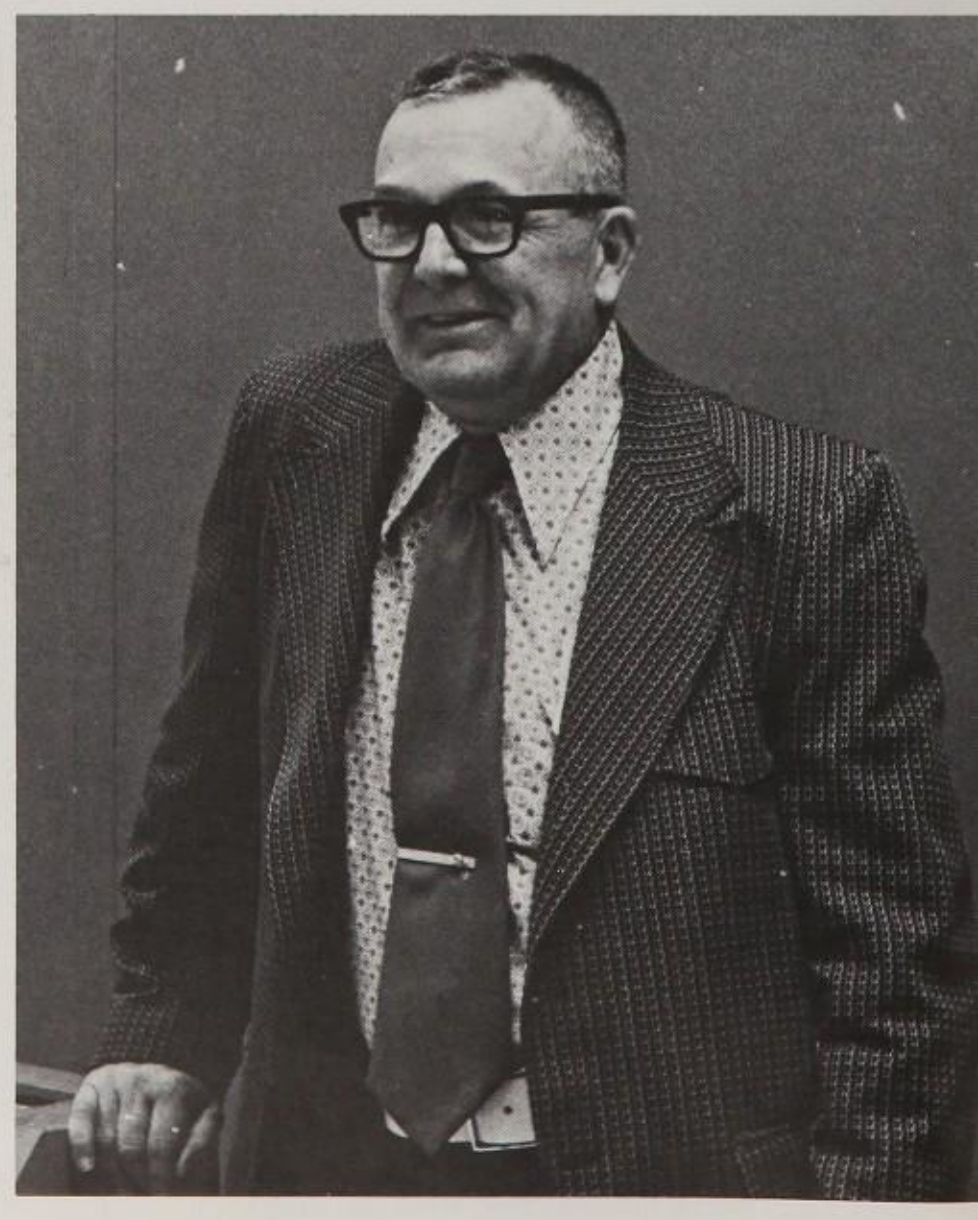
Co-op Club

Amid the clicking computers, Co-op students learn about data processing. Any senior who passed Data Processing 1 can meet with other people interested in computers in the Co-op Club. Sponsored by Mr. Evans, Co-op members raise funds for an employer-employee banquet. That's one thing computers can't do—EAT!



The Dance Team does not mean Fred Astaire and Ginger Rogers. It means 16 girls, first organized in the Fall of 1972, who entertain at sports events. Mrs. Desimone, the Team's sponsor comments, "Since this organization was started, I've seen it develop into a talented, disciplined team." Such discipline requires much practice, but there are side effects. To perfect their Homecoming Game routine, the girls practiced a dance to "Smoke On the Water" over and over. But as a result, when the song was played at the Homecoming Dance, all the Dance Team members were sick of it. Such are the sacrifices to be made for one's art.

Mr. Chippendale directs the Distributive Education Club.

Distributive Education Club of America

"Education" means more than academic courses, as members of the local chapter of the Distributive Education Clubs of America know well. Under the guidance of Mr. Chippendale, D.E. students work outside the school to gain work experience and credit. They also run the school store, making it easier for students who don't want to run over to Dawson's to buy a shorthand notebook. D.E. is an advantage to its participants who also get paid while they learn.

From Left To Right: Stephen Morin, Dennis White, Jackie Ryan, Dave Collier, Nancy Dorn, Marty Fullon, Iris Sedgwick, Donnie Cordle, Robin Sparkes, Pam Hithon, Louise Shatinsky, Debbie Miller.

Drama Club

Through many hours of hard work, the Drama Club gave several presentations during the school year. In the fall, Dracula invaded the school. With the help of several Thespian directors, each class took part in the One-Act Play Night before the Christmas holidays. The group coordinated all aspects of producing a play: set construction, props, costumes, programs, tickets, and publicity.

The *Embers* yearbook this year has strived to break away from past traditions at Severna Park. Through varied layouts and improved copy and pictures this goal will be reached. Due to the success of last year's book, the financial situation is excellent and it is hoped that in future years more color may be added to the book as well as the purchase of permanent typewriters.

Under the sponsorship of Mrs. Hamerstrom, French Club members played French games, held a Christmas fondue party (fete de fondue a Noel), went on a field trip to Washington (voyage a Washington), and held bake sales (marches au patisseries) and washed cars (untranslatable) to raise funds. The only trouble with the Cercle Francais is that nobody can drop French phrases in conversation to impress people because everyone knows what the phrases mean.

Future Business Leaders of America is an organization designed for business education majors only. The objectives are to develop leadership, ability to get along with others, and an awareness of career opportunities and how to apply for them. To help defray expenses for local, state, and national functions, they conducted such money-making projects as candy and linen calendar sales. Service projects included a Christmas party for underprivileged children and helping with school and community activities. A formal induction ceremony was held on November 20, with families of the members, leading businessmen of Severna Park, special guests from the Board of Education and the FBLA advisor, Mrs. Clemmer, present. This organization's key word is INVOLVEMENT!

Girls Athletic Association

Any girls who love athletics have a friend in the Girls' Athletic Association. And evidently the GAA has lots of friends, since the number of girls often tops 40. Five girls were selected to lead the group—Jeanne Stinchcomb (president), Kathy Dickerson (vice-president), Janet Furton (secretary), Val McLean (treasurer), and Dale Phillips (points chairman). Under the supervision of Mrs. Buckley, Mrs. Shelton, and Mrs. Stefancik, GAA members met to play basketball, volleyball, and paddleball. In addition, the girls worked out on the gymnastics equipment in the new gym facilities. Come on girls! Let's beat those Russians!

Impulse

The *Impulse,* in it's tenth year, began the year by being awarded the MSPA's "Best Literary Magazine in Maryland" as well as the "Best Magazine Art and Photography". This year the staff put out a poster issue that included art, poetry, and prose. The *Impulse* also put together social affairs; in December, the "Impulse Ball". This involved a waltzing party at which most past and present *Impulse* staff members were invited along with many impulse friends.

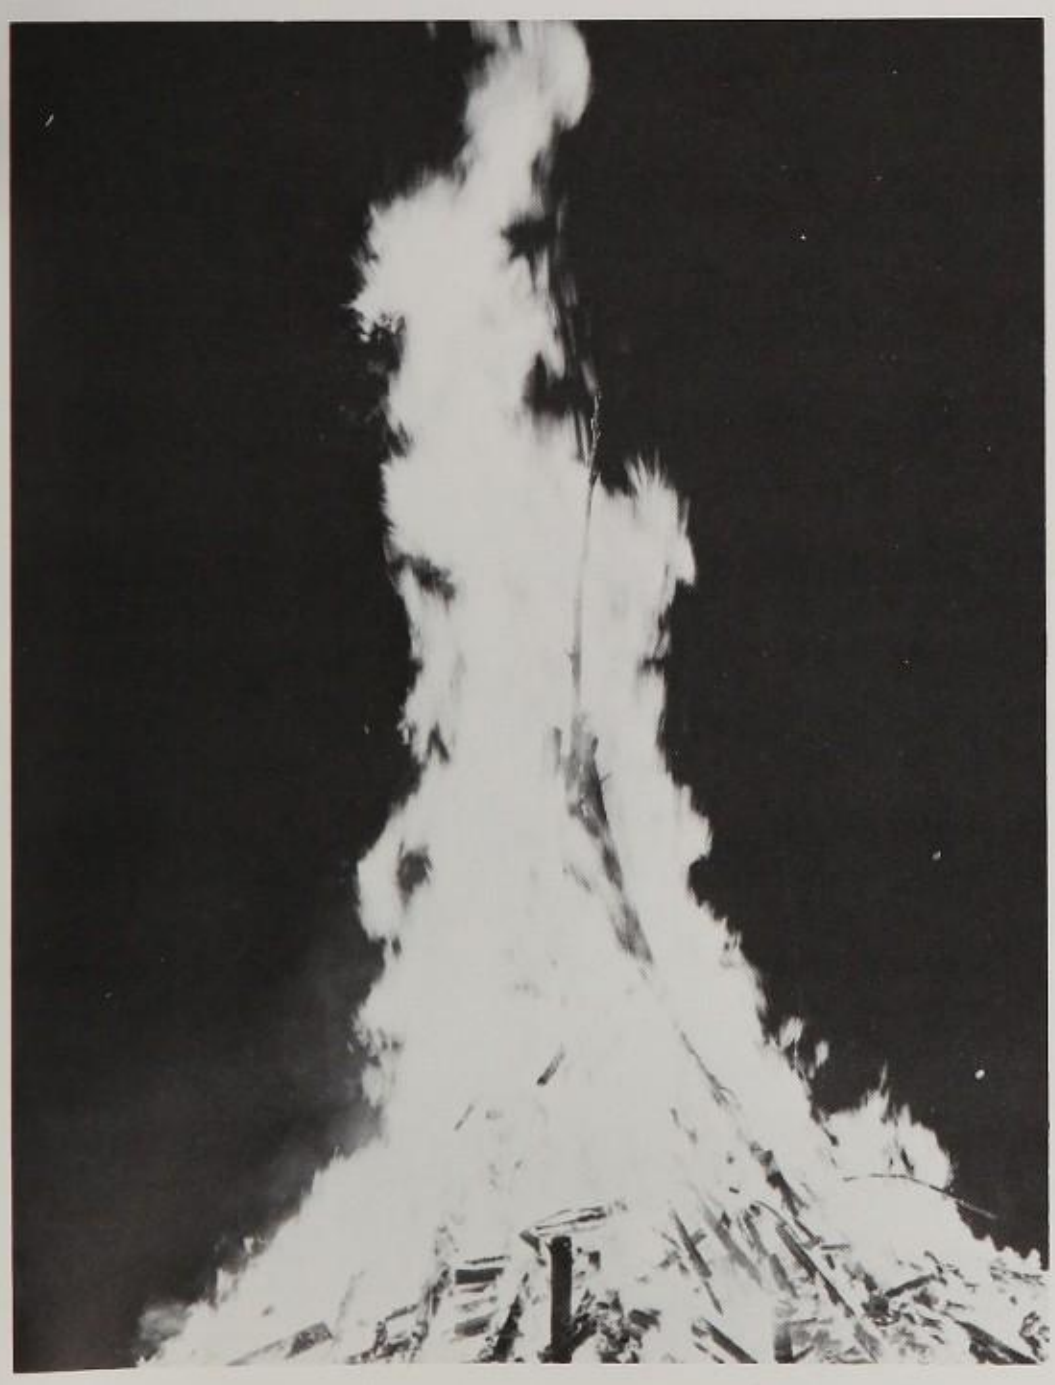
Key Club

The Key Club is one of the most active clubs in Severna Park High School, with the support of the Severna Park Kiwanas and Mr. Dunn, the Key Club advisor. The group painted the bleachers and cleaned up Falcon Field. A number of students helped around the Youth Sanctuary home several Sundays. Others worked at an oyster roast for the Kiwanis. The Key Club bought senior pictures for Iker Landa, the foreign exchange student, sponsored an orphan, and assisted with the "Share Your Christmas" project under the Jaycees. Service is what the Key Club is all about!

John Belz (above) supervises while others paint the scoreboard (left) and the bleachers on the visitors side on the Sunday afternoon of October 7.



The Key Club also prepared the bonfire for Homecoming. The following weekend, volunteers sold apples, cider, jams, and fruit cakes in conjunction with the Severna Park Kiwanis.

From Left to Right: Jean Biddinger, Robin McGinnis, Billie Mathews, Susan Hawkins, Roxanne Thompson.

Expanded library facilities this year made assistance from library aides even more essential. The aides' continual diligence at transporting and checking out books leaves the librarians free for other work. Anyone who can maneuver around students sprawled on cushions and decide which books go upstairs and which go downstairs, deserves credit. It must be hard dragging those bookcarts up those stairs. How do they do it all? Quietly.

Majorettes

The 1973-74 Majorette squad consisted of 5 seniors, 3 juniors and 1 sophomore. The co-captains were Debbie Wilson and Debbie Bat while Cheri Forbus was the lieutenant. The girls practiced with the band on and off the field. They participated in all the football halftime shows, field shows and parades as well as the sales campaigns for the support of the band. They were eager to be number one again this year and from past experience it wasn't hard to do!

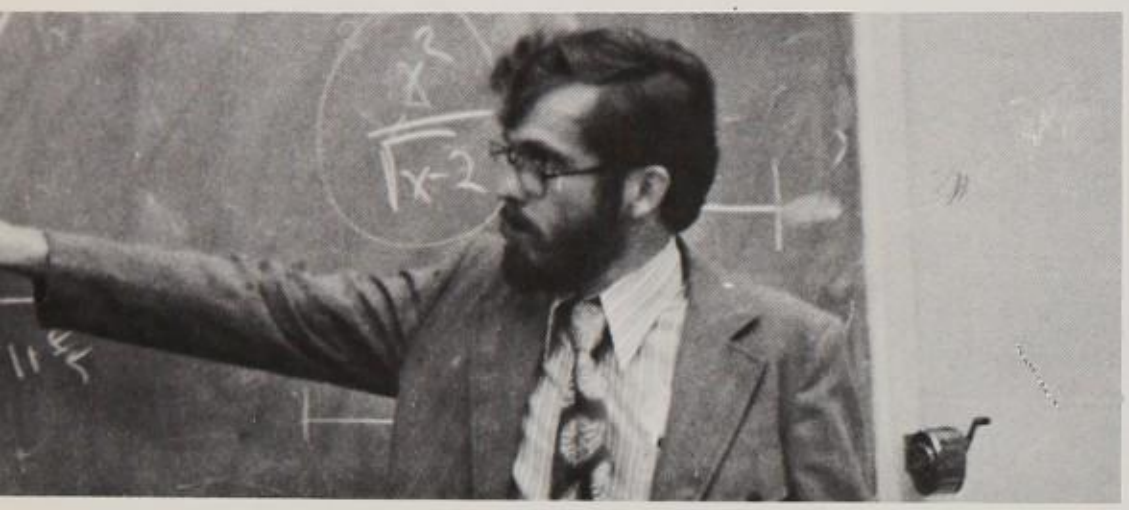
Math Club



Mr. Jay Catlin *(above)* and Mr. Joseph Dunn are advisors to the Math Club.

In their never-ending efforts to promote mathematics within our school, Mr. Catlin and Mr. Dunn sponsored the Math Club. Throughout the year, guest speakers presented seminars, mini-lectures and discussions on such math-related topics as imaginary numbers, honeybees, and the Maryland State Lottery. Unfortunately, talking about the Lottery does not mean winning the Lottery, or else the Math Club might have gotten a few of those thousand dollar calculators that compute hyperbolic sines in 0.23 seconds.

'73 Spring Inductees: Row 1: C. Edward Pritts, Advisor, John Branning, President. *Row 2:* Lisa Kurrle, Kim Matters, Carol Guenther, Lisa Hellstrom, Barbie Buckley, Candy Flatt (secretary), John Larabee (treasurer).

The Severna Park Chapter of the National Honor Society began the year with 11 members and by November had grown to 89 strong. The society worked toward serving the community-by working at the Crownsville State Hospital canteen. Other projects included a "wacky auction" in January for the benefit of the Scholarship fund and a picture sale for the same purpose. The tutoring service carried on by the Society, also proved helpful to many students.

'73 Fall Inductees: Row 1: Kathy Strauch, Lisa Jensen, Nancy Spicer, Linda Bluntschli, Sue Ward, Karen Stultz, Angela Germanos, Doris Lain, Marilyn Whitney. *Row 2:* Janis Parris, Dana Dowling, Paula Wright, Maria Colucciello, Dawn Reedy, Sue Recknagel, Laurie Coleman, Laura Beach, Becky VanderPoel, Kristi Roth. *Row 3:* Alan Geis, Wyatt Aasen, Darrell Cofsky, Glenn Smith. John Larabee, David Hankey, Bob Knox, Mary Koehne.

Ski Club

The Ski Club, under the leadership of President Linda Bluntschli, went on numerous ski trips this season. The ski trips, almost always personally funded, were aided financially this year by fruitcake sales. The most important trip was to Vermont on January 23 through the 28 during the semester break. Other trips include two weekend stays, one at Blueknob, Pennsylvania and four or five day trips, one to Roundtop, Pennsylvania. At meetings, which were held twice a month, ski club members were shown many films and instructed in new techniques of skiing.

El Club De Espanol

The Spanish Club teaches its members the culture of Spanish-speaking countries. And since food is a part of culture, it is not surprising that club activities included a trip to a Spanish restaurant, El Bodegon, in Washington, D.C., and a spring taco party. Other activities were a pinata party and a visit to the Communication Satellite Corporation in Washington.

Mrs. Wolfing advises the Spanish Club officers: Jeanne Doney (secretary), Nancy Alfred (president), Bob Rzepkowski (treasurer), Laurie Coleman (vice-president).

Stage Crew

This year's Stage Crew proved to be one of the largest and most active in the schools history. Whenever one of the Drama Club productions needed lights or a telephone to ring or a clap of thunder the stage crew was there. Not only did they help at the football games but also at all the assemblies, amid all this work, they managed to come up with a self-propelled light bulb float in the Homecoming parade activities. Perhaps their most worthwhile project was "Toys for Tots"-a Christmas project which brought discarded toys to needy children.

Student Council

This year marked the first full year of the Student Council at Severna Park since 1971. The Student Council was responsible for the installing of smoking areas and the organizations of Falcon Fair. They also were responsible for organizing the largest and most successful Homecoming this school has ever seen. The Student Council also became more active on the state and local levels of Student Council organizations.

Mr. Palmer and Mrs. Panos, Advisors.

Student Court

The Student Teacher court, founded in the Fall of 1972, is dedicated to the interest of justice. Created from work done by the STPA, the Student Teacher Court is an organization of teachers and students, who hear "cases" or "grievances" anyone has against unfair treatment from school members. This year the court heard two cases. One about censorship and the *Talon,* and the other, about a student who felt he had been abused by an administrator.

Student - Teacher - Parent Association

In its third year of existence, the Student-Teacher-Parent Association was involved in many different areas. The students drew up and approved the Student Bill of Rights and Responsibilities. After taking a survey of the students, the Curriculum Committee investigated implementation of suggested courses. The Smoking Committee worked to establish smoking areas around the school. Students have shown their ability to work with the system to accomplish a set goal.

Talon

Despite frantic midnight layout sessions, the *Talon* arose from the ashes (or recycled woodpulp) of last year's *Phoenix.* Sponsored by Mr. Dillon and edited by Mike Pumphrey, the school's new paper was an immediate success. How familiar was the refrain "Hey kid. Wanna buy a *Talon*?". The first issue sold out, but soon copies of following issues were seen filling up the *Talon* office. Just when things started to look bad, the *Talon* came out with a controversial issue that brought the question of censorship to Severna Park.

This December issue caused quite a stir.

Varsity "S" Club

Varsity 'S' is an honorary organization for those outstanding athletes who have lettered in any Varsity sports. It appears that perhaps Women's Lib has hit the sports scene, because for the first time outstanding female athletes were also allowed entry. This year the Varsity 'S' sold candy as well as sponsoring the Fall and Spring Sports Awards Assemblies.

Falcon Football

The Falcons had another fine season under new head coach Andy Borland. The young team provided much excitement throughout the season, finishing with a 6-4 record. Severna Park placed Chase Coale, Ed Gagen and Bill Hamlin on the first All-County team, while Perry Atkinson, Jay Pack, and Rico Massimino made the second team. Bill Hamlin, selected as the Falcon's MVP rushed for 996 yards, culminating a two year performance in which he rushed for 2246 yards. Quarterbacking duties were shared by Mark Stearns and Barry Possom. Possom, a versatile player, was a stand out on offense and defense. Ed Gagen, the Falcons speedy receiver, was given the *Villager* Player of the Year Award. Fine offensive play was also provided by Marty Bueneman, Frank Griffin, and Bill Randall. While James Meade, Dean Dryden, Jeff Keith, and Buddy Divens shone on defense. Coach Borland was pleased with his first year as head coach and with many lettermen returning, he is looking forward to a promising second year.

JV Football Takes Second

The Junior Varsity football team closed the season with a 5-1 league record, good enough for second in the county. While losing to Arundel in a closer game than the score indicates, the JV team scored big victories against Andover, Southern, and Annapolis. Fine offensive play was shown by Kevin Huber, Steve Watts, Tom Sewell, and Ken Tighe while Mike Guten, Jay Haller, and Bill Hohman did well on defense. Coach Bitzer feels that many members of the squad will contribute to next year's Varsity team.

Falcons Finish 17-5

The 1974 Basketball team finished an excellent season with an all senior starting five. The 17-5 overall record and 11-3 league record were the best ever for Severna Park teams. Finishing second in the county standings, the Falcons placed four players on the all-county teams. Wayne Villano, probably the most consistent player, scored a team leading 248 points for a 17.7 average and pulled down 205 rebounds. His 61% average from the floor also led the team. Eric Johnson, called a "real team ballplayer" scored 247 points although he missed the final four games of the season. His 20.6 average led the team. Jim Meade, the playmaker for the Falcons, had a record high 126 assists. Jim Gorman had 226 points and a team leading 81% free throw average. Maurice Jennings' 405 points during the overall season were tops for the team. Coach Young had much praise for the whole team. He said the players were dedicated, and worked hard all year, and "gave Severna Park the best basketball they ever had."

1973 marked the second year for the girls' volleyball team. The girls did a fine job, tying for fourth place in the county. The team had a new coach—Mrs. Jane Buckley; and Lynn Reise was the only veteran returning from last year's squad. Outstanding in spiking was Pam Johnson and in serving was Dale Wright. Co-captains were Cindi Harmon and Gail Bonhoff.

1974 Indoor Track

Severna Park, despite its lack of depth, produced a fine indoor track team this year. With less than fifteen members, the team placed second in the county and district meets and seventh in the state meet. Many school records were set this year. Bill Hamlin set records in the 50 yard dash (5.6 sec.), the long jump (20'4½"), and the triple jump (40'3⅞"). In the shot put, Rico Massimino had a throw of 53'7". In the distances, Ed Gagen ran the 600 in 1:16.2 and Dale Rugieri ran the 1000 in 2:21.2. Ed and Dale combined with Warren Hamel and Dave Koscik to run the 2 mile relay in 8:22.0. Congratulations to the team and Coach Andy Borland for a fine season.

1974 Varsity Wrestling: From Left to Right: Row 1: Paul Kosla, John Bellistri, Joe Bellistri, Rick Behringer, Kevin Lusby, Rob Holder, Shelly Dumas, Dan Zerphey. *Row 2:* Coach Ed Gilson, Dave Lusby, Roy Neiderberger, Tim Cyr, Ted Grienki, Brian Macknovitz, Ron Kraus, Frank Griffen, Scott Smith, Brad Blakeney.

'74 Varsity Wrestling

The 1974 Wrestling team finished a fine 7-3 season, placing first in the regional and John Carroll tournament. In the regional tournament John Bellistri, Tim Cyr, and Frank Griffin finished first; Joe Bellistri and Roy Neiderberger placed second; Brian Macnovitz placed third; and Ricky Behringer, Kevin Lusby, and Ron Kraus placed fourth. John and Joe Bellistri, Tim Cyr, Frank Griffin, and Roy Neiderberger were five Falcon wrestlers who went to the state meet. Mr. Gilson, in his first season as head coach, has done much to bring Severna Park back as a wrestling power. With many fine returning Sophomores and Juniors for Coach Gilson to work with, the future looks bright.

'74 J.V. Wrestling

The 1974 Junior Varsity Wrestling team finished another winning season registering a 5-2 league record, and an outstanding second place finish in Anne Arundel county competition. Several J.V. wrestlers were called to fill a spot on the varsity at times during the season. With a year of experience under Coach Reffner, next years' varsity team looks promising.

Class of '75

Class of '75

The Junior Class of 1973-74 has sponsored a Variety Show, two coffee houses, and the Sadie Hawkins Dance. The Class of 1975 started out the year with a proud treasury of $1300. This year the Juniors continued to work for their goal of raising the largest treasury this school has ever seen. Along with the major fund raising activities this year the Class of 1975 received second place in the 1973 Homecoming float competition with the startling pink elephant with flopping ears. The class has also sponsored minor fund raising activities such as bake sales and Falcon Fair booths. The Junior Class would like to wish the graduating class of 1974 good luck in the years to come. Thanks for all your help and friendship.

Junior Class Officers: Vice-President, Bill Raymond; Secretary, Julie Brown; President, Bob Lopardo.

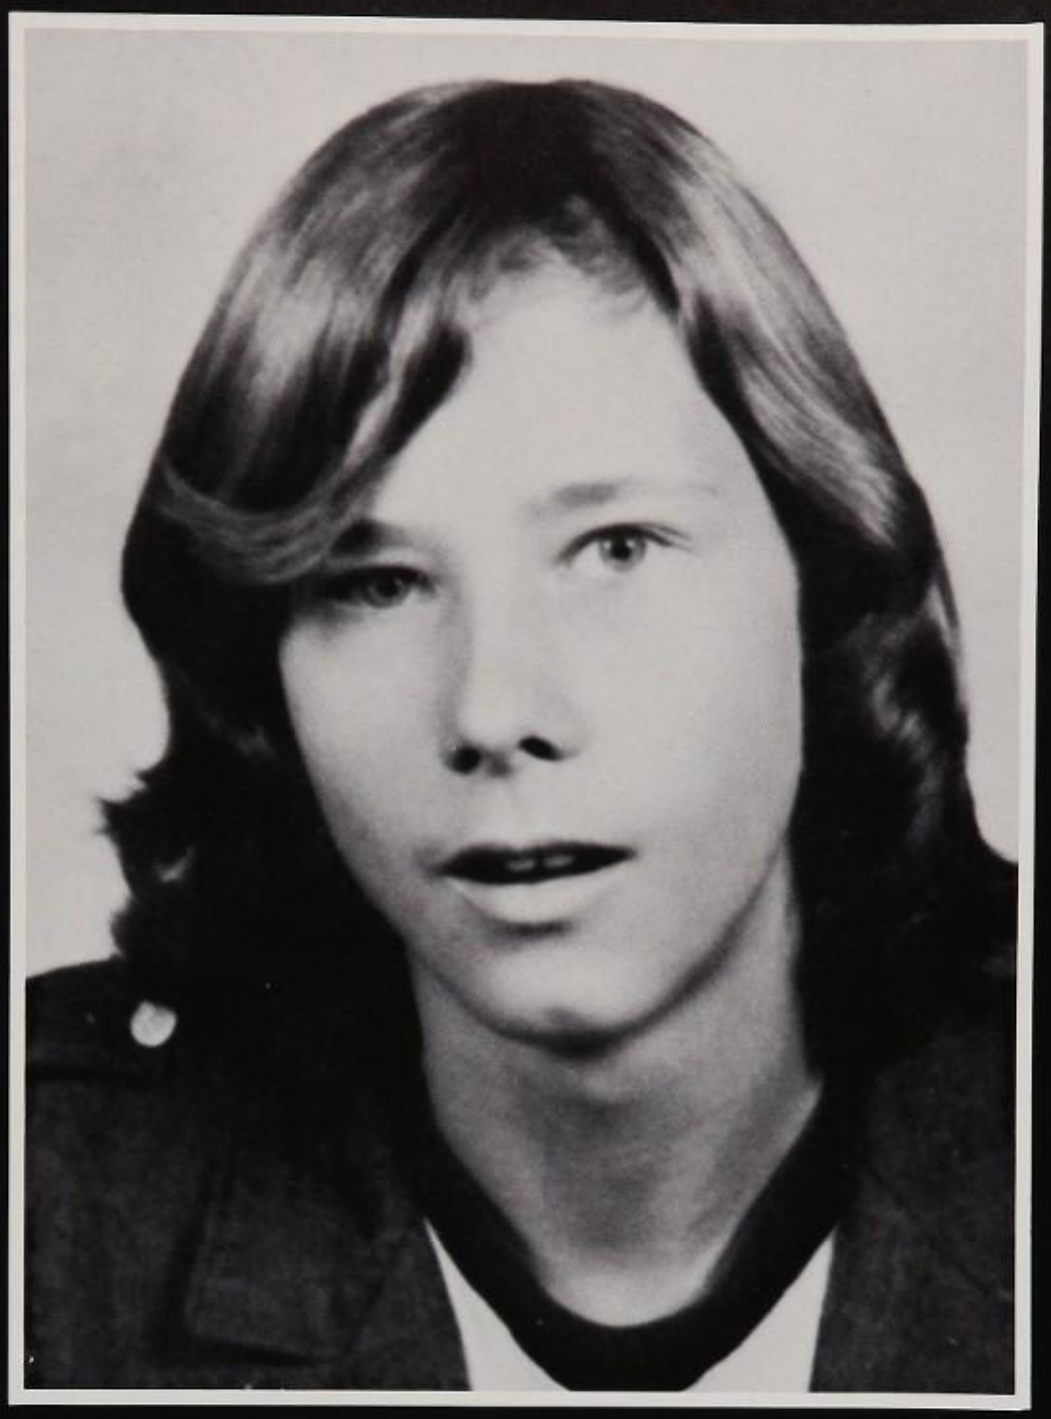
In Memory Of . . .



Michael S. Smith

A few who have watched me live my life
Will miss my life, from the busy day
Some friendly lives that were to me near
Some loving souls my heart held dear
In silent sorrow will drop a tear
But I shall have peacefully gone on my way
And greeted the friends, who have left before
O'er the unknown sea to the distant shore.

Class of '76

Class

Of '76

Starting out this year with a treasury of $550, the Class of '76 initiated their fund raising activities with a candy sale in the fall. They continued their money making projects by having bake sales, egg sales, and the traditional Sweetheart's Dance in the spring. The "silly, silly sophomores" would like to express their congratulations and best wishes to the "mighty, mighty seniors".

Sophomore Class Officers: Vice-President, Mike Brusinghan; Secretary, Mary Brockmeyer; Treasurer, Leslie Evans; President, Wendy Russell.

Clase
de '74

As we march ahead, we leave behind many close friends. As the Class of '74 marches on, it leaves with the Class of '75 its best wishes for success in the future.

Student Council

This year's Student Council sponsored the most successful Homecoming ever; including the largest ever parade and a dance in two gyms with two bands. The entire weekend grossed over $1400. Over $250 were allocated to the Student Smoking Areas to save them from destruction. The Student Council worked to beautify the cafeteria and took an active part in the policy making across the state. They were involved in the decision of not forcing students to wear ID cards as well as working on bills for student interests and rights. The final major responsibility was organizing the very successful Falcon Fair. Thanks to everyone who worked with the Student Council in '73 and '74 and best of luck to next year's council.

EPILOGUE

Laughter is not at all a bad beginning for a friendship and it is the best ending for one.

Oscar Wilde

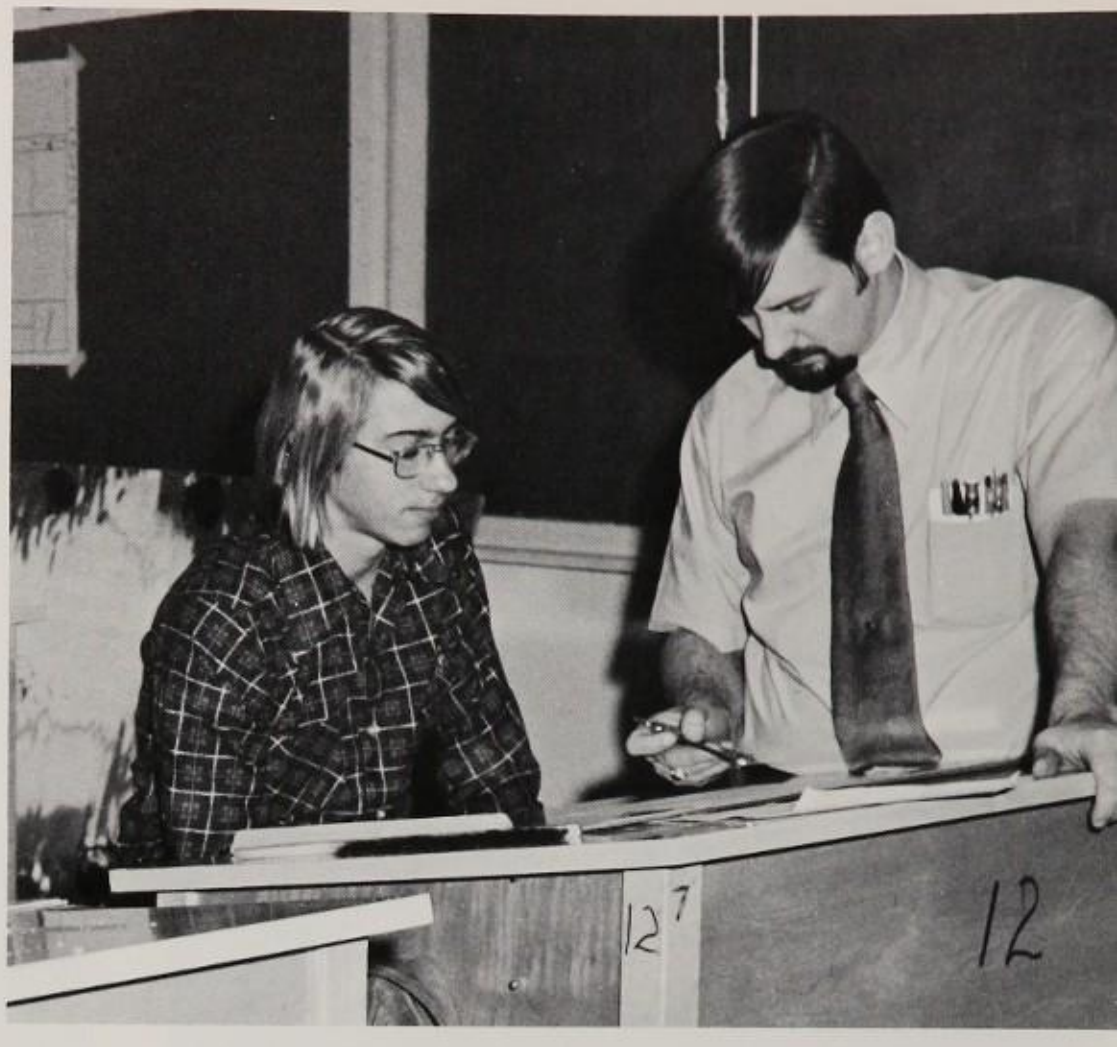
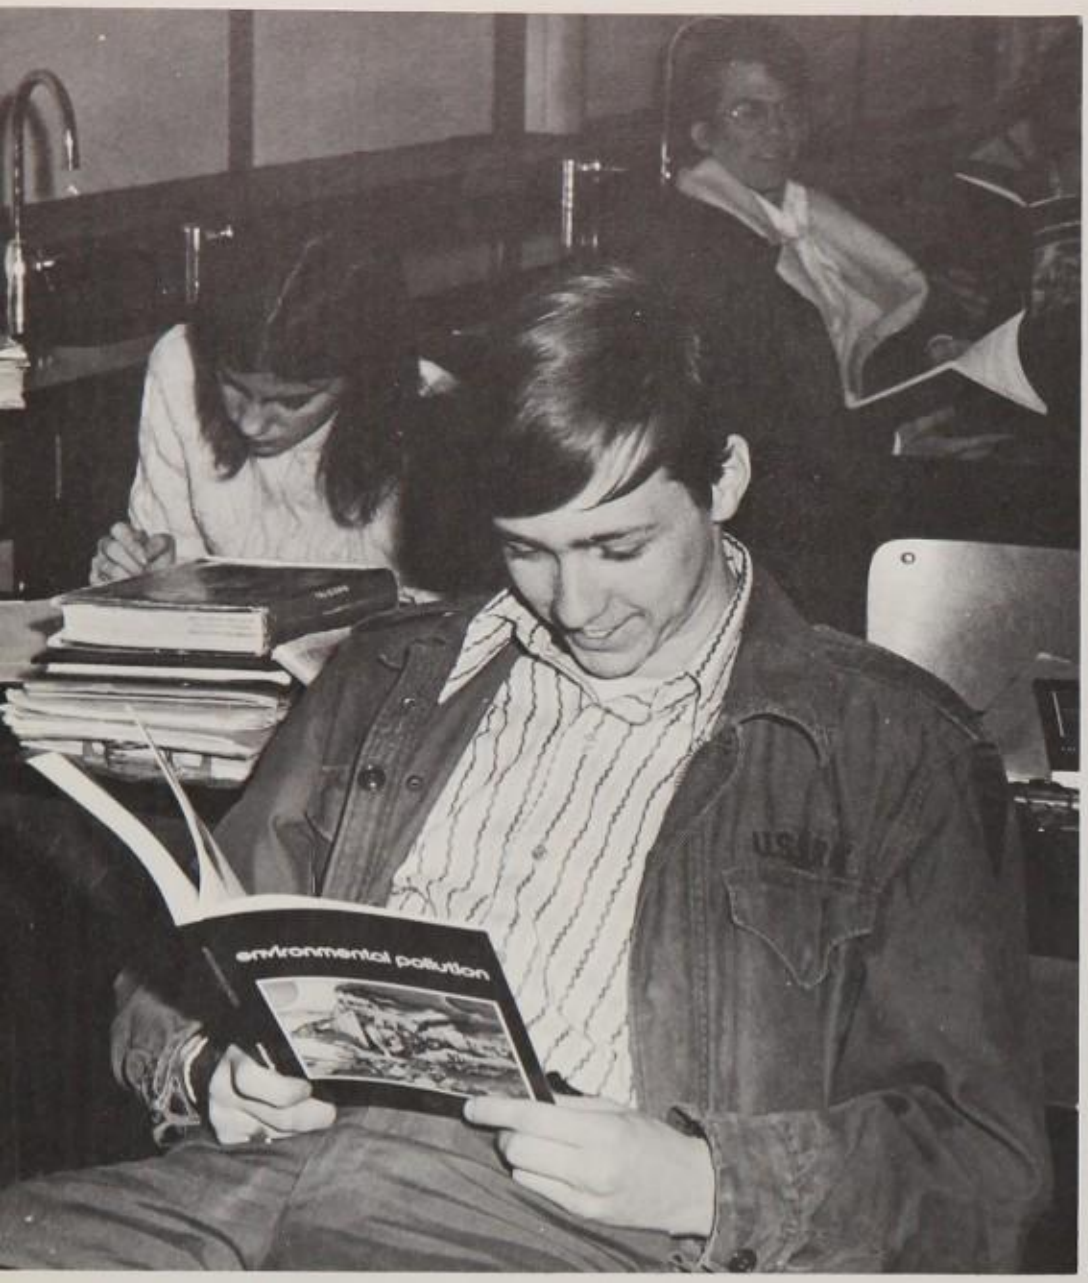
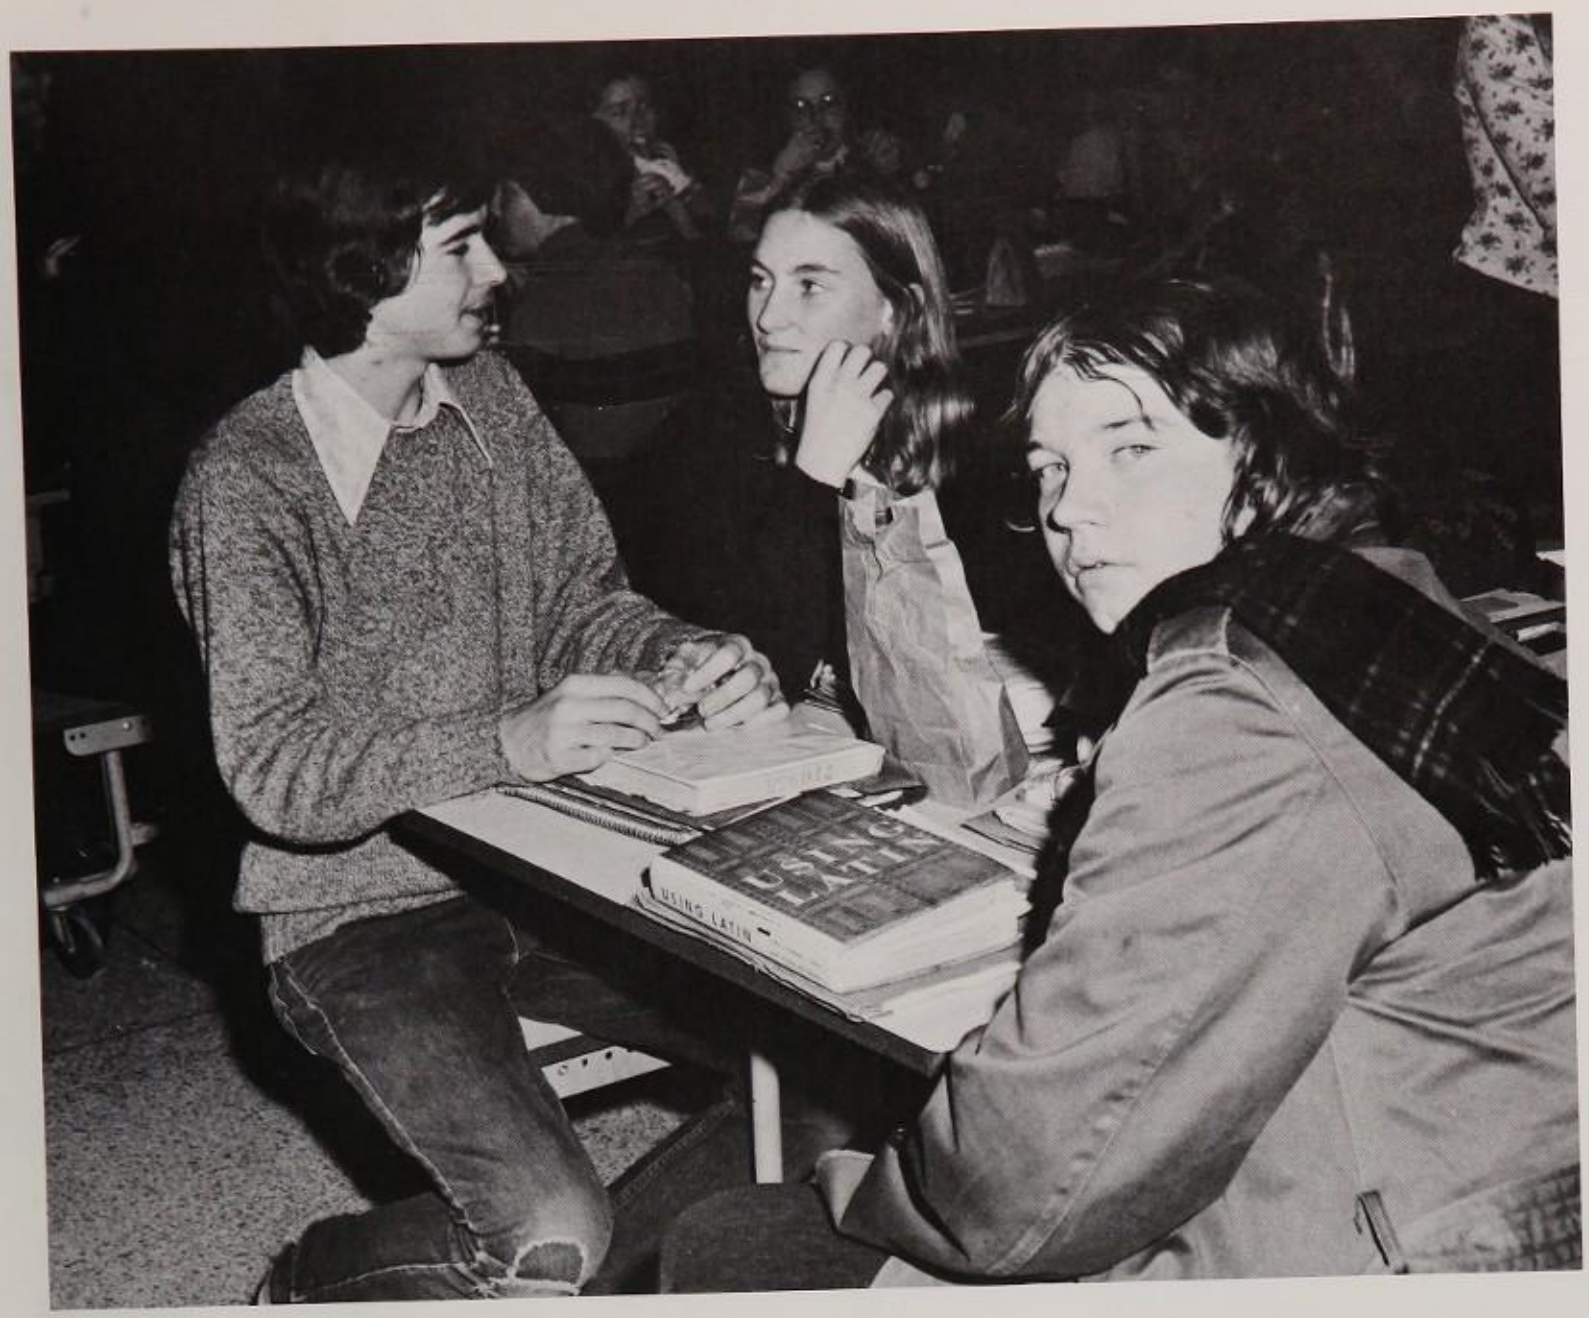
Any good, therefore,
I can do,
or any kindness
that I can show.



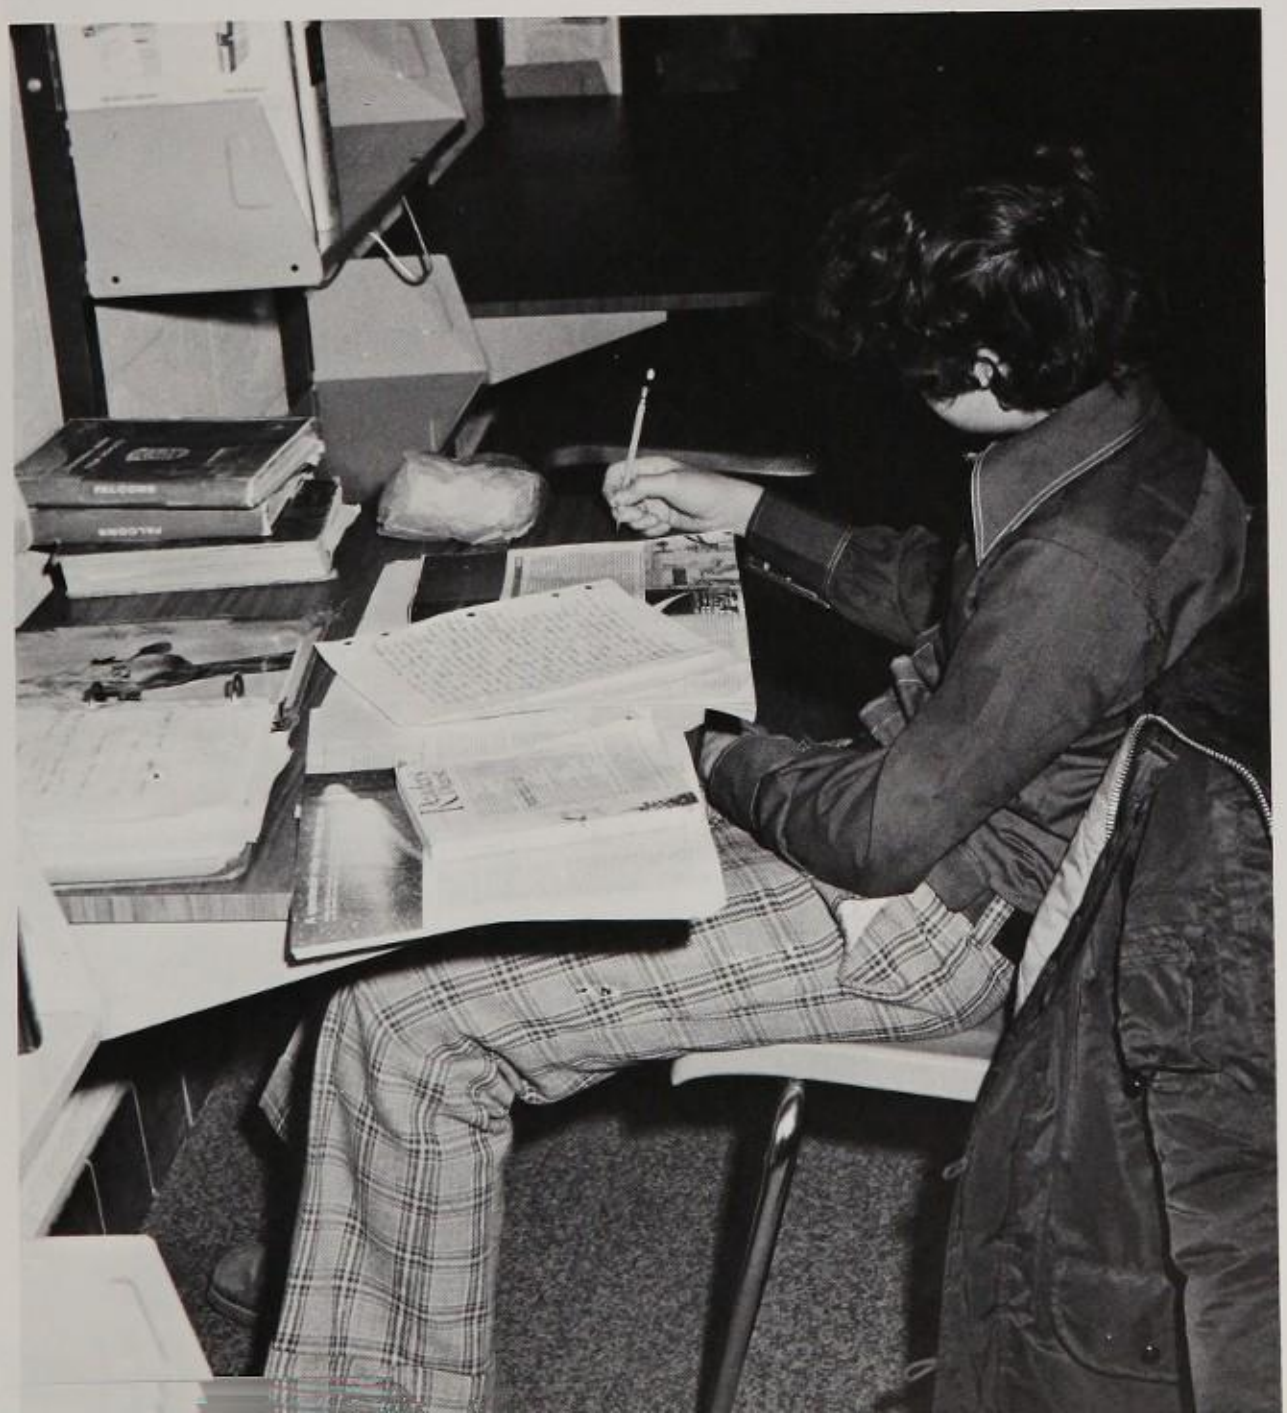
to any fellow creature,



let me do it!



Let me not defer
or neglect it,



for I shall not
pass this way again.

All Things End in Memories and Thanks . . .

I would like to personally thank Miss Barbara Cook, for her help with copy; Mr. Hal Mayer, the American Yearbook Company Representative; and the Administration, Faculty, and Students of Severna Park High School. I would like to dedicate the 1973-1974 EMBERS to the seventy-two people listed below, for only they can appreciate the tremendous amount of work and satisfaction that goes into producing a yearbook. Last, a special thanks to Mr. C. Edward Pritts.

As the aftermath of a first,
Whether it be a snowfall
Or a lifetime,
A vast emptiness can be left
In the mind and soul.
At that moment
Reflect the past
Focus on the present
And envision the future.
In one sense its the end,
But in another—it's the beginning.
